MANSFIELD TOWNSHIP ELEMENTARY SCHOOL
SATURDAY, APRIL 21, 2018**

Because you are a valuable member of the local business community, we wanted to reach out to you and let you know about an exciting event being hosted by the Columbus Home & School Association: the 4th Annual Sprint Into Spring 5K. The race will be held on Saturday, April 21, 2018 and will tour through Mansfield. We are hoping your company would be interested in a sponsorship opportunity for the event.

The purpose of the Sprint Into Spring 5K is to raise money to support the students of John Hydock Elementary School and Mansfield Township Elementary School while promoting the importance of leading a healthy life. To reduce expenses and maximize donation dollars to the schools, we are offering sponsorship opportunities. While helping our students succeed in today's world, your company will benefit from exposure to the Columbus Home & School families and other participants from the surrounding community. There are several levels of sponsorship available.
