Host Agencies: Grapevine FD (56) &Haltom City FD (47)

Vehicles: Rescue 56 and Rescue 47

Information Needed for all NEFDA Resource Activations:

Nature of incident

Address

Radio channel to use

Telephone number of on scene Incident Command

Pertinent incident information

Emergency or non-emergency response needed

****

Activating Agency:

Contact the appropriate dispatch center based on the chart below:

NRHW Alarm: **(817) 281-1000**

Grapevine Alarm: **(817) 410-8127**

NRHW (Haltom) Dispatch	Grapevine Dispatch
Westlake	Bedford
Keller	Watauga
Trophy Club	Hurst
Southlake	North Richland Hills
Colleyville	Richland Hills
Grapevine	Roanoke
Euless	Haltom City

Request that the Rescue Unit and Battalion Chief respond to the incident

If assigned rescue and battalion chief are not available, contact the other Alarm office to send their Rescue and Battalion Chief

Northeast Explosives Response Team (NERT)

Host Agency: North Richland Hills FD

Vehicles: EOD 22

Information Needed for all NEFDA Resource Activations:

Nature of incident
Address
Radio channel to use
Telephone number of on scene Incident Command
Pertinent incident information
Emergency or non-emergency response needed

****

Activating Agency:

Contact NRHW Alarm at **(817) 281-1000** and request that EOD 22 respond to the scene and

contact Incident Command on arrival for set up location. Provide the NRHW Alarm office with

the information above and any additional incident details that might be available.

NRHW Alarm will then send out an all call page for team members to respond to the incident.

NRHW Alarm shall provide a call back to the Alarm office needing the response once team

members are enroute and provide an estimated time of arrival or ETA.

Hazardous Materials Response

Host Agencies: North Richland Hills FD & Roanoke FD

Vehicles: HazMat 22 & HazMat 66

Information Needed for all NEFDA Resource Activations:

Nature of incident
Level I or Level II Response needed
Address
Radio channel to use
Telephone number of on scene Incident Command
Pertinent incident information
Emergency or non-emergency response needed

****

Activating Agency:

Contact NRHW Alarm at **(817) 281-1000** and request a Level I or Level II Hazardous Materials response as directed by Incident Command. Provide the NRHW Alarm office the information above and any additional incident details that might be available.

Level I Response:

NRHW Alarm will dispatch HazMat 22 and they shall contact Roanoke Dispatch to send HazMat 66 as well. North Richland Hills will also send one engine company and their Battalion Chief as well.

Level II Response:

NRHW Alarm will complete all the tasks under Level I Response above and request a HazMat Technician response from the following cities: Bedford, Euless, Richland Hills, Southlake, Trophy Club, Watauga, and Westlake.
