Councilman Durland nothing to report at this time

Councilman McGivney nothing to report at this time

Councilman Gusikoff – noted the cameras have been ordered for W. Clove Mountain Road and will soon be installed to mitigate the littering in Town.

Highway Report

Superintendent Kading spoke about the 5-year maintenance plan. He also spoke about the culvert issues in town. Mr. Kading spoke with DC Soil and Water and is unsure if DEC needs to be involved at this point. He is waiting for pricing and it may need to be advertised for public bid. He will adjust his projects based on pricing. Supervisor Maas noted that they will review any grant opportunities that may assist with the financial end. Superintendent Kading spoke about the need for a york rake which maintains the dirt roads in town. This is necessary but can wait using the existing rake which is a bit smaller than the needs. He will wait to get the prices on culvert pipes before moving forward on this purchase. They have replaced 90% of the average size culverts but there are 4 that are of future issue. The 284 will be prepared for next meeting.

Public Comments – None

Board, Committee, Commission & Council Reports

Parks

Submitted by Park Manger, Jake Gosnell. A reminder to residents and guest that dogs are allowed on the West side of Town Hall. Upcoming projects include tree work, the resident pavilion updates and general spring cleanup.

Recreation

Traditional camp is up to 75% full for all session, Kids Camp is almost full and the response to the new Teen Leadership program has been very positive with 2 session close to reaching max capacity. The St. Patrick's Day themed TGTT party is underway and they are looking forward to a full week of TGTT during Spring Break. Upcoming events including 'Egg Hunts for All' on April 16th which includes traditional hunt, wheelchair accessible, visually impaired and sensory friendly.

Land Use Moratorium to Review Town Center Zone & Private Roads & Common Driveways: DC & PB Responses

Supervisor Maas noted on April 6th there will be a public hearing, this will not be on the details of any changes, this is just to permit the time to research the Town Code.

Library Consultant- Using a Professional to Help Determine the Next Steps

Supervisor Maas explained that the Town has engaged the services of A. A. Cohen & Associates. Mr. Cohen has created a survey that will be distributed through the website and UnionValeMail. There will be a series of public meetings at various time during the day and week to capture a wide audience to get all resident feedback in order to advise the Town Board. This will all begin in April and the schedule will be published on the website as well as channel 22, and possibly publish it in the Northern Dutchess News.

Capital Projects & ARPA Expenditures

Supervisor Maas asked all department heads to review the list and move forward.

Parkinson's Awareness Month

Resident, Nancy Redkey, writes the Town every year to pass an annual resolution to declare April 'Parkinson's Awareness Month'. Supervisor Maas thanks Nancy for submitting this each request.

Dutchess County Sales Tax Update

Supervisor Maas reported that this year we received an unexpected \$239,000.00 that we were not expecting and how important this is for the Town. Going forward, over the next 10 years, the County has proposed each Town getting 9.5% percentage of the tax, based on population. This will keep us in line with what the Town has been getting which is between \$230,000 to \$270,000.00. The Town must be conservative moving forward and planning for the years ahead and budget lower than the projected percentage as this can change unexpectedly.

Discussion NY Stretch Code, Consider Pros & Cons for Union Vale

Supervisor Maas stated that Code Enforcement Officer, George Kolb attended a webinar training and reported that the bottom line was about a 2% extra in cost but the savings are amazing and some aspects of the presentation were terrific. Now the Town must consider the pros and cons for what is best for Union Vale. The Town Board has received a copy of the presentation for review and Supervisor Maas offered to have Mr. Kolb present next month. Overall it is appealing due to the long-term savings.
