- 2 dog limit per cabin or RV site. No other pets are allowed.
- Dogs of any breed that are constantly barking, hostile, or aggressive to guests or other dogs will be asked to leave the resort, along with their owners.
- Dogs must be kept on leashes no longer than 6 feet when outside their owners' vehicles or rental units. Do not leave a tethered dog unattended. We will give one reminder. If more reminders are required, you will need to find other accommodation.
- Do not leave dogs unattended in cabins. If you must leave your furry friend, they are required to be kenneled while you are gone. We have limited kennels available.
- Dogs are ONLY allowed in cabins #7 & #8. If we find that they have been inside one of our other cabins (#1-6), you (and the renter of the other cabin) will be asked to leave. You (and the renter of the other cabin) are responsible for any rental charges up to that point and no part of your deposit will be refunded.
- A credit card is required to be on file. Daily fees do not cover excessive damage caused by dogs or intensive cleaning needed due to dogs. You are responsible for the cost to repair, replace or clean and will be charged.
