

Greetings Gardens of Gulf Cove Residents!

As we start a new year, the Gardens of Gulf Cove entrance has a fresh new look! A special Thank You to the former **Gardens of Gulf Cove Activity & Community Improvement Club** for donating funds to be used for a new entrance sign at the Recreation Center. Our own resident and professional craftsman, **Mike Bartus**, designed and installed the beautiful new announcement board pictured below. We still have a few finishing touches to add such as a dedication plaque, address etc. Be sure to take notice as you enter on Coliseum Blvd! If you see Mike, be sure to tell him what a great job he did for our community!

This first quarter newsletter features a lot of new exciting and fun activities planned by the all-new **Gardens Social Gatherings Committee** and other clubs. Make sure to mark your calendars and plan ahead! There's lots to do if you want to be involved. You'll notice many of the events will be held in the evening and/or weekend to accommodate even more of our community residents.

The Board of Directors and Management Staff would like to wish you all a happy and healthy New Year!

Community Association Manager

Compliance Corner

Important Reminders!

MOLD: Humidity encourages development of mold and mildew. Please check your exterior walls for signs of mold. Check all sides of your storage shed and fencing if applicable. If any part of your property has dirt, mold or mildew, please take care of it promptly. We have heard the product **Mold Armor** (sold at Home Depot) does a fantastic job!

Mailboxes: You are responsible to keep your mailbox in good shape – remove dirt and mildew – and don't forget to trim grass and weeds around the post. Check the stability of the post! Your box should have your complete house # on it – and not having missing numbers!

Weeds: Do not allow grass and weeds to grow in your landscape beds, driveway or sidewalk. If you have a prepared surface for additional parking (crushed stone, rock, shell or pavers), it must be maintained free of vegetation. If it has vegetation, it is not permitted to use as a parking spot.

Loose dogs in the community continue to be a problem. Do not let your dog out for any amount of time without being restrained. Please pick up after your dog. Residents and Ring doorbells are watching!

If you have Guests that will be using the common facilities, you must register them with the Management office. There is a limit of 2 guests per household unless otherwise approved by management. This rule applies to all amenities as noted in the Common Facility Rules and Regulations.

- **Thank you** for your cooperation and support in helping to keep the Gardens of Gulf Cove looking beautiful
