Johnson Controls Fire Protection LP Quotation

Creciente Condo Association Inc 7150 Estero Blvd FORT MYERS BEACH, FL 33931-4737 Project: Creciente Condo East FP Replacement - CPQ-7687 Johnson Controls Reference: 650007687 Proposal #: 1 Date: 06/10/2020

Page: 1 of 7

Johnson Controls is pleased to offer for your consideration this quotation for the above project

Scope of Work

SCOPE OF WORK:

This quote is to: Remove the existing Fire pump system, Jockey pump system included, and replace with new like for like model fire pump and motor with the same flow data. The reason for this replacement it due to current condition of the existing fire pump and that the controller is not longer a current model and parts cannot be ordered for this model. Once the install has been completed we will then test and certify the new fire pump system then place the system back into serivce.

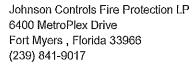

Included in this proposal:

- · Sprinkler Install Labor.
- · Sprinkler Design Labor (If Needed).
- · Fire Protection plan review fee, Permitting, & Inspection.
- Flow Test performed by the local AHJ (If Needed).
- Materials
 - New Fire pump system (Pump, Motor, & Controller).
 - · Fire Pump: Aurora Vertical Splitcase 3-483-10
 - 500 GPM @ 80 PSI 3500 RPM
 - Motor: USEM 40HP 286HPH ODP 3600 RPM 60Hz 200/400V, Solid-state
 - · Controller: Firetrol Solid-State, 200V, 3Phase, 60Hz, 40 HP Manf. # FTA1930/200/40/3/60
 - New Gaskets and Couplings to connect the existing Fire pump loop piping to the new fire pump.
 - · New sensing lines.

Warranty

- Material
 - Pump: (12) Months from start-up, (18) Months from shipment.

Fire, Security, Communications, Sales & Service Offices & Representatives in Principal Cities throughout North America

- · Motor: (12) Months from start-up, (18) Months from shipment.
- Controller: (24) Months from the date of shipment.

Labor

• (1) year warranty on labor for workmanship. (Installation) This warrenty does not cover damage caused by the environment, mis-use of the equipment, or dailure to provide reasonable maintenance.

Notes:

- The Techs will need unimpeded access to the Fire Pump Room perform the repairs. Any
 vehicles and/or furniture should be relocated out of the way before the tech arrives to
 streamline the install/repair process.
- While the system is out of service, it is the customers responsibility to preform fire watch of all the effected areas of the fire protection system.
- During this project, there may be times that the electric power in the building will be interrupted. If this occurs the customer must plan accordingly with the residence.

Exclusions:

- Any alterations to the fire sprinkler system outside of the scope of work description above.
- Upgrades to the Water supply in any way.
- Upgrades to the existing Fire Sprinkler system outside of this scope in any way.
- Any alteration to the existing fire pump loop. If changes must be made then additional pricing will be presented to the customer for the alterations to the scope.
- Any utility interruption fees. Any fee's from the utilities company will be forwarded to the customer for payment.
- Cutting, Painting, or Patching of any type.
- · Repairs to any preexisting code violations.
- Fire watch while the system is down for maintenance.
- · Repairs to any unforeseen damage outside of this scope of work.
- · Alteration to the fire alarm system or components.

Payment. Payments shall be invoiced and due in accordance with the terms and conditions set farth above. Work performed on a time and material basis shall be all Company's tien-prevailing rate for material, labor, and related items, in effect at the time supplied under his Agreement. Company shall invoice Customer for progress payments for an hundred (100%) percent based upon equipment delivered or stored, and services performed. In the event project duration exceeds one month, Company reserves the right to submit partial invoices for progress payments for work completed at the project site. Customer agrees to pay any progress invoices in accordance with the payment terms set forth herein. In exchange for close-out documents to be provided by Company, Customer agrees to pay Company the remaining project balance when on-site lebor is completed and prior to any final inspections. Customers without established satisfactory credit shall make payments of cash in advance, upon delivery or as otherwise specified by Company, Where Customer establishes and maintains satisfactory credit, payments shall be due and payable shirty (20) days from date of invoice, Company reserves the right to revoke or modify Customer's credit in its sole discretion, Customer's failure to make payment when due is a material breach of this Agreement. If Customer fails to make any payment when due, in addition to any other rights and remedies available, Company shall have the right, at Company seed discretion, to stop performing any Services and/or withhold further deliveries of malerials, until the account is current. In the event payment is not received when due, Company may, at its discretion, assess late fees at the rate of 1.5% per month or the maximum rate allowed by law, Customer agrees to pay all costs of collection, including without imitation costs, fees, and attempts' fees.

Deposit, Customer agrees to pay a deposit equal to 30% of the project sell price (pre-tary prior to Company may, at its discre

and conditions of Company's surroam again minimoring on the agreement.

Code Compilance. Company does not undertake an obligation to inspect for compilance with laws or regulations unless specifically stated in the Scope of Werk, Customer acknowledges that the Authority Having Jurisdiction (e.g., Fire Marshal) may establish additional requirements for compliance with local codes. Any additional services or equipment required will be provided at an additional cost to Gustomer.

Limitation of Liabilities 1 Institutions of Remedy. It is

additional services or equipment required will boral codes. Any additional services or equipment required will be provided at an additional cost to Customer. Limitation of Liability: Limitations of Remedy, it is understood and agreed by the Customer that Company is not an insurer and that insurance occurage shall be obtained by the Customer and that amounts payable to company hereunder are based upon the value of the services and the scope of flability set forth in this Agreement and are unrelated to the value of the Customer's property and the property of others located on the premises. Customer agrees to look exclusively to the Customer's insurer to recover for injuries or damage in the event of any loss or injury and that Customer releases and waives all right of recovery against Company arising by vay of subrogation. Company makes no guaranty or Warranty, Including any implied warranty of merchantability or fitness for a particular purpose that equipment or services usualled by Company will detect or avert occurrences or the consequences therefrom that the equipment or services was designed to detect or avert. It is impractical and extremely difficult to fix the actual damages, if any, which may proximately result from failure on the part of Company to perform any of its obligations under this Agreement. Accordingly, Customer agrees that, Company shall be exempt from liability for any loss, damage or Injury arising directly or indirectly from occurrences, or the consequences therefron, which the equipment or service was designed to detect or avert. Should Company he found liable for any loss, damage or Injury arising from a failure of the equipment or service in any respect, Company's liability shall be limited to an amount equal to the Agreement price last increased by the price for any additional work) or where the time and material payment term is selected, Customer's time and material payment term is selected.

the amount of the payments allocable to the site where the incident occurred. Such sum shall be complete and exclusive. IN NO EVENT SHALL COMPANY BE LIABLE FOR ANY DAMAGE, LOSS, MURY, OR ANY OTHER CLAIM ARISING FROM ANY SERVICING, ALTERATIONS, MODIFICATIONS, CHANGES, OR MOVEMENTS OF THE COVERED SYSTEM(S) OR ANY OF HIS COMPONENT PARTS BY THE CUSTOMER OR ANY THIRD PARTY. COMPANY SHALL NOT BE LIABLE FOR NOIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING BUT NOT LIMITED TO DAMAGES ARISING FROM THE USE, LOSS OF THE USE, PERFORMANCE, OR FAILURE OF THE COVERED SYSTEM(S) TO PERFORM. The limitations of liability set forth in this Agreement shall have to the benefit of all parents, subsidiarles and affiliates of company, whether direct or indirect, company's employees, agents, officers and directors.

directors.

Reciprocal Waiver of Claims (SAFETY Act). Certain of Company's systems and services have received Certification and/or Designation as Qualified Amit-Terrorism Technologies ("QATT") under the Support Amit-terrorism to Prostering Effective Technologies Act of 2002, 5 U.S.C. §§ 41-444 (the "SAFETY Act"). As required under 6 C.F.R. 25.5 (e), to the maximum extent permitted by Jaw, Company and Customer hereby agree to valve their right to make any claims against the other for any losses, including business interruption losses, sustained by either party or their respective employees, resulting from an activity resulting from an "Act of Terrorism" as defined in 8 C.F.R. 25.2, when QATT have been decloyed in defense against response to, or recovery

including business interruption losses, sustained by either party of their respective employees, resulting from an activity resulting from an "Act of Terrorism" as defined in 8 C.F.R. 25.2, when CAFT have been deployed in defense against, response to, or recovery from such Act of Terrorism.

General Provisions. Customer has selected the service level desired after considering and balancing various levels of protection afforded, and their related costs. All work to be performed by Company will be performed during normal working hours of normal working days (8:00 a.m. –5:00 p.m., Monday through Friday, excluding company holdays, as defined by Company, unless additional times are specifically described in the Scope of Work section ("Services") for one or more system(s) or equipment as described in the Scope of Work section of the istem of the statement of the section of the intervention of the section of the section of the intervention of the section of the section

systems, equipment, components or PARTS THAT are below grade, behind wells or other obstructions or exterior to the building, electrical wiring, and piping.

Customer Responsibilities. Gustomer shall furnish all necessary facilities for performance of its work by Company, adequate space for storage and handling of materials, light, water, heal, heat racing, electrical service, local telephone, watchman, and crane and elevator service and necessary permits. Where wat pipe system is installed, Customer shall supply and maintain suitident heat to prevent freezing of the system. Customer shall promptly notify Company of any malfunction in the Covered System(s) which comes to Customer's attention. This Agreement assumes any existing system(s) are in operational and maintainable condition as of the Agreement date. If, upon Initial Inspection, Company determines that repairs are recommended, repair continues which the declined Company shall be refeved from any and all liability arising therefrom. Customer shall further: supply required schematics and drawings unless they are to be supplied by Company in accordance with this Agreement; Provide a safe work environment, in the event of an emergency or Covered System(s) failure, take reasonable safety precautions to protect against personal Injury, death, and property damage, continue such measures until the Covered System(s) are operational, and notify Company as soon as possible under the direumstances. operational, and notify Company as soon as possible under the

circumstances, Provide Company access to any system(s) to be serviced, Comptly with all favs, codes, and regulations pertaining to the equipment and/or services provided under this agreement. Excavation. In the event the Work Incides excavation, Customer shall pay, as an extra to the contract price, the cost of any additional work performed by Company dues to water, quicksand, rock or other unforeseen condition or obstruction encountered or shorton required.

rock or other unioreseen coronnon or secondary.

Structure and Site Conditions, While employees of Company will exercise reasonable care in this respect, Company shall be under not responsibility for loss or damage due to the character, condition or use of foundations, wells, or other structures not exected by It or resulting from the excavation in proximity thereto, or for damage resulting from concealed piping, wing, fatures, or office equipment or condition of water pressure. All sharing or protection of foundation, walls or other structures subject to being

disturbed by any excavation required hereunder shall be the responsibility of Customer. Customer shall have all things in readiness for installation including, without limitation, structure to support the sprinkler system and related equipment (including tanks), other materials, floor or suitable working base, comnections and facilities for erection at the time the materials are delivered. In the event Customer falls to have all things in readiness at the time scheduled for receipt of materials, Customer shall reinhurse Company for all expenses caused by such faiture. Failure to make areas available to Company during performance in accordance with schedules that are the basis for Company's proposal shall be considered a faiture to have things in readiness in accordance with the terms of this Agreement.

Confined Space, if access to confined space by Company's required for the performance of Services, Services shall be scheduled and performed in accordance with Company's then-

required for the performance of Services, Services shall be scheduled and performed in accordance with Company's then-current hourly rate. Hazardous Materials, Customer represents that, except to the extent that Company has been given written notice of the extent that Company has been given written notice of the following hazards prior to the execution of this Agreement, to the best of Customer's knowledge there is no: permit confined space," as defined by OSHA, task of infectious disease, need for air monitoring, respiratory protection, or other medical risk.

permit contined space," as defined by OSHA, risk of infectious disease, need for air monitoring, respiratory protection, or other medical risk, asbestos, asbestos-containing material, formaldelyde or other potentially toxic or otherwise hazardous material contained in or on the surface of the floors, walls, ceilings, insulation or other structural components of the area of any building where work is required to be performed under this Agreement.

All of the above are hereinafter referred to as "Hazardous Conditions." Company shall have the right to rely on the representations listed above. If hazardous conditions are encountered by Company during the course of Company's work, the discovery of such materials shall constitute an event beyond Company's control and Company shall have no obstation to further perform in the area where the hazardous conditions exist until the area has been made safe by Customer as certified in writing by an independent testing agency, and Customer shall pay disruption expenses and re-mobilization expenses as determined by Company. This Agreement does not provide for the cost of capture, containment or disposal of any hazardous waste materials, or hazardous materials, encountered in any of the Covered System(s) and/or during performance of the Services. Said materials shall at all times remain the responsibility and property of Customer. Company shall not be responsible for the testing, removal or disposal of such hazardous materials.

OSHA Complannes from and against any and all claims, demands and/or damages arising in whole or in part from the enforcement of the Occupational Safety Health Act (and any amendments or changes thereto) unless said claims, demands or damages are a direct result of causes within the exclusive control of Company interferences. Customer shall be responsible to coordinate the work of other trades (including but not limited to ducting, piping, and elactically and for and additional costs incurred by Company arising out of interferences to Company's work cause

and electrical) and for and additional costs incurred by Company artising out of interferences to Company's work caused by other trades.

Modifications and Substitutions. Company reserves the right to modify materials, including substituting materials of later design, providing that such modifications or substitutions will not materially affect the performance of the Covered System(s). Changes, Alterations, Additions, Changes, alterations and additions to the Scope of Work, plans, specifications or construction schedule shell be invalid unless approved in writing by Company, Should changes be approved by Company, the parties shall agree, in writing, to the change in price prior to performance of any work. However, in one genement is reached prior to the time for performance of said work shall be deemed accepted by Customer, in addition, Customer shall pay for all extra work requested by Customer or made necessary because of incompleteness or inaccuracy of plans or other information submitted by Customer or made necessary because of incompleteness or inaccuracy of plans or other information submitted by Customer with respect to the location, type of occupancy, or other details of the work to be performed. necessitate such charges and unless such alleged deficiencies are solely and directly caused by Company.

System Equipment. The purchase of equipment or peripheral devices (including but not limited to smoke detectors, passive infrared detectors, card readers, spinkter system components, extinguishers and hoses) from Company shall be subject to the terms and conditions of this Agreement. If, in Company's sole judgment, any peripheral device or other systems equipment, which is attached to the Covered System(s), whether provided by Company or a third party, Interferes with the proper operation of the Covered System(s), Customer shall remove or replace such device or equipment by upon notice from Company. Faiture of Customer to remove or replace the device shall constitute a material breach of this Agreement. If Customer adds any third party device or equipment to the Covered System(s), Company shall not be responsible for any damage to or faiture of the Covered System(s) caused in whole or in part by such device or equipment.

Covered System(s) eaused in whole or in part by such device or equipment.

Reports, Where inspection and/or test services are selected, such inspection and/or test shall be completed on Company's then current Report form, which shall be given to Customer, and, where applicable, Company may submit a copy thereof to the local authority having jurisdiction. The Report and recommendations by Company are only advisory in nature and are intended to assist Customer in reducing the risk of loss to properly by indicating obvious defects or impairments noted to the system and equipment inspected and/or tested. They are not intended to imply that no other defects or hazards exist or that all aspects of the Covered System(s), equipment, and components are under control at the time of inspection. Final responsibility for the condition and operation of the Covered System(s) and equipment and components lies with Customer.

Limited Warranty, Subject to the limitations below, Company varrants any equipment (as distinguished from the Software) installed pursuant to this Agreement to be free from defects in material and workmanship under normal use for a period of one (1) year from the date of first beneficial us or all or any part of the Covered System(s) or 38 months after Equipment shipments, whichever is earlier, provided however, that Company's soles fability, and Customar's sole remedy, under this limited varranty shall be limited to the repair or replacement of the Equipment of any part tiered, which Company determines is defective, at Company's sole option and subject to the availability of service personnel and parts, as determined by Company. Company warrants that any Company and soles in including the not limited to, video and pint heads, Islavision camera tubes, video mention displays tubes, battleries and certain including the displayment of the specifications in effect at the time of delivery and for miney (90) days after delivery. However, Customer agrees and acknowledges that the software may be come mecessary sh

Agreement prior to completion for any reason not arising solely from Company's performance or failure to perform, Customer understands and agrees that Company will incur costs of administration and preparation that are difficult to estimate or determine. Accordingly, should Customer terminate this Agreement as described above, Customer agrees to pay all charges incurred for products and equipment installed and services performed, and in addition pay an amount equal to wenty (20%) percent of the price of products and equipment not yet delivered and Services not yet performed, return all products and equipment delivered and pay a restocking fee of twenty (20%) percent the price of products or equipment returned. Company may terminate this Agreement immediately at its sole discretion upon the occurrence of any Event of Detault as hereinather defined. Company may also terminate this Agreement at its sole discretion upon notice to Customer if Company's performance of its obligations under this Agreement becomes impracticable due to obsolescence of equipment at Customer's premises or unavailability of parts.

at its sole discretion upon notice to Customer if Company's performance of its obligations under this Agreement becomes impracticable due to obsolescence of equipment at Customer's premises or unavailability of parts. Default, An Event of Default shall be 1) failure of the Customer to pay any amount within ten (10) days after the amount is due and payable, 2 abuse of the System or the Equipment, 3) dissorblion, termination, discontinuance, insolvency or business failure of Customer. Upon the occurrence of an Event of Default, Company may pursue one or more of the following remedies, 1) discontinue furnishing Services, 2) by written noise to Customer declare the balance of unpaid amounts due and to become due under the this Agreement to be himmediately due and payable, provided that all past due amounts shall bear interest at the rate of 1 ½% per per month (18% per year) or the highest amount permitted by law, 3) receive immediate possession of any equipment for which Customer has not paid. 4) proceed at law or equity to enforce performance by Customer or recover damages for breach of this Agreement, and 5) recover all costs and expenses, including without limitation reasonable attorneys' fees, in connection with enforcing or attempting to enforce this Agreement. Exclusions, Unless expressly included in the Scope of Work, this Agreement expressly excluded, without finitiation, testing inspection and repair of dud detectors, beam detectors, and UMR equipment provision of fire watches; cleaning of ice blockage, draining of improperty pitched piping; replacement of batteries; recharging of chemical suppression systems; reloading of, upgrading, and malitatining computer software; system upgrades and the replacement of obsolete systems, equipment, components or parts; making repairs or replacement, failure due to non-Company installation, lightning, electrical storm, or other severe weather, water, accident, fire, exist of God or any other cause external to the Coverd System(s). Repair Services provided by Company at

additional charge. If Emergency Services are expressly included in the scope of wark section, the Agreement price does not include travel expenses.

No Option to Solicit. Customer shall not, directly or Indirectly, on its own behalf or on behalf of any other person, business, corporation or entity, solicit or employ any Company employee, or induce any Company employee to leave his or her employment, for a period of two years after termination of this Agreement. Force Majeurer, Delays. Company shall not be liable, nor in breach or default of its obligations under this Agreement, for delays, interruption, failure to render services, or any other failure by Company to perform an obligation under this Agreement, where such delay, interruption or failure is caused, in whole or in part, directly or indirectly, by a Foce Majeure Event. A Force Majeure Event is a condition or event that is beyond the reasonable control of Company, whether foreseeable or unforeseeable, including, without firmitation, acts of God, severe weather (including but not limited to huricanes, fornados, severe snowstorms or severe rainsforms), wildfires, floods, earthquakes, esismic disturbances, or other public health risks and/or responses thereto, condemnation, strikes, lock-outs, labor disputes, an increase of 5% or more in tartiffs or other excise taxes for materials to be used on the project, fires, explosions or other casualties, thefts, condemination, strikes, lock-outs, tabor dispities, an increase of 5% or more in tarifies or other excise taxes for materials to be used on the project, fires, explosions or other casualities, thefts, variadalism, divid disturbances, insurrection, mob violence, trots, var or other armed conflict (or the serious threat of same), acts of terrorism, electrical power outages, interruptions or degradations in telecommunications, computer, network, or electronic communications systems, data breach, cyber-attacks, ransomware, unavallability or shortage of parts, materials, supplies, or transportation, or any other cause or casualty beyond the reasonable control of Company. If Company's performance of the twork is delayed, impacted, or prevented by a Force Majeure Event or its continued effects, Company shall be excused from performance under the Agreement, Without finiting the generality of the foregoing, if Company is delayed in achieving one or more of the scheduled misstones set forth in the Agreement due to a Force Majeure Event, Company will be entitled to extend the relevant completion date by the amount of thin that Company was delayed as a result of the Force Majeure Event, plus such additional time as may be reasonably necessary to overcome the effect of the delay. To the extent that the Force Majeure Event

directly or indirectly increases Company's cost to perform the services, Customer is obligated to reimburse Company for such increased costs, Inchinding, without Imitation, costs incurred by Company for additional labor, inventory storage, expedited chipping fees, trailer and equipment rental fees, subcontractor fees or other costs and expenses incurred by Company in connection with the Force Majeure Event.

One-Year Limitation on Actions; Choice of Law, It is agreed that no stit, or cause of action or other proceeding shall be brought against either party more than one (1) year after the acrual of the cause of action or one (1) year after the acrual of the cause of action or one (1) year after the acrual of the cause of action or one (1) year after the acrual of the cause of action or one (1) year after the acrual of the cause of action or one (1) year after the acrual of the cause of action or one (1) year after the acrual of the cause of action or one (1) year after the acrual of the cause of action or one (1) year after the acrual of the cause of action or one (1) year after the claim arises, whichever is shorter, whether known or unknown when the claim arises, whichever is shorter, whether known or when we will be actived to the cause of action or one (1) year after the claim arises, whichever is an or one of the cause of the software and software actions of the software of
