Ballots for election of national APWU officers for the 2019-2022 term will be going out in the mail on September 10th. We will be mailing out a letter with our endorsements on the same day. Please look for both of these mail pieces next week and bring the ballot in ASAP. If you don't receive your ballot let a steward or officer know and we will order a duplicate. It pays to vote as early as possible! There will be two winners of \$100 prizes for those who show their ballot to any officer or steward before mailing it in, no later than September 21st at midnight.

If you miss the 9-21-19 deadline, there will be 8 additional prizes of \$50 each, drawn at the November GMM if you show your completed ballot to any officer or steward before the deadline to return ballots in our overnight mailing. This date has not been determined yet, but will be approximately the 2nd week of October. Your best chance to win is by bringing in your ballot as soon as you receive it. Please help us to remain one of the highest voting locals in the country by casting your vote in this important election.

Thank you!!!!

In Solidarity,
Chuck Camp
