FROM OUR PASTOR: This Sunday is called "Laetare Sunday" in the Extraordinary Form of the Roman Rite since its mood and theme is one of hope and rejoicing that Easter is near. In the Ordinary Form, this Sunday is not different from the other Sundays of Lent even though the entrance antiphon for the day still begins with the Latin word "laetare" and the vestments worn by the celebrant are rose-colored, not violet. The day is important because it is the day of the second scrutiny in preparation for the baptism of adults at the Easter Vigil. As we near closer to Easter, I would like for all of us to continue to pray for the people in our community that are suffering from all types of illnesses and especially those affected by the COVID-19 virus.

*Holy Trinity Catholic School is a MN accredited school through Minnesota Nonpublic School Accrediting Association, MNSAA. In order to retain membership within MNSAA, every seven years the member school must undergo a comprehensive school improvement process. The process has three elements: self-study report, school strategic plan, and an on-site accreditation team visit. Holy Trinity has been preparing for its review over the past year. The on-site team will be here to visit on March 17th, 18th, and 19th. They will review the self-study to validate that the school has provided an accurate description. They also will review the strategic plan to ensure that it is a quality plan to guide the school over the next seven years. The information gathered will be written into a report, presented to the MNSAA board, and returned to Holy Trinity School for revision and adoption.

*Holy Trinity will continue to sell gourmet coffee grown in Guatemala. Holy Trinity will make \$3 on each bag sold and \$10 goes to pay the farmers in Guatemala for the coffee beans.
