**Quotes:**

“In every aspects of her life, she strives to be the best. Not only is she caring and kind, but she is also an amazing role model to everyone around her. She loves to volunteer and help others, in addition to being a pillar for our military community. She is a very goal oriented person, who strives for excellence and easily achieves it in everything that she does. It has always been a dream of hers to further her education and set an example for her child that it is never too late to pursue a dream.” **Valentina Lee** - Realtor

“Working as a volunteer in the military community throughout the last twenty-three years, I have enjoyed helping people learn about services available to them. I am so thankful to now be able to take advantage of some of the programs myself. My educational pursuits would not be possible without generous support from scholarship sponsors like your organization. Thank you for enabling this opportunity!” **Rebecca**
