

Ideal Oven Ranges innovative design provide the most useful features at an affordable cost. Finally, you can have an intelligent range design that allows to integrate any configuration desired to have all in one.

Our Oven Ranges are made of heavy duty materials. All stainless steel exterior, including front and side panels, 5" landing ledge, shelf, and oven exterior door. Double side panels for better insulation. Our top grates and open burners are made of cast iron. The oven interior is fully insulated with porcelain coating to ensure even heat and easy cleaning yet rugged enough to withstand the constant heavy usage of a busy kitchen.

Model: IDRG-4G24BR24
