

Application for Architectural Change Form

This form is to be used by all Burnt Store Isles residents wishing to change the outside appearance of their home. BSI deed restrictions mandate that all proposed changes require approval of the BSIA Board of Directors. **Please note:** If you are proposing an exterior color change, you must specify the paint brand, color name and ID number. If it is a custom color, you must include a picture or paint sample. If you are proposing a structural change to a home, a change to a roof, driveway, windows or fence, please include detailed drawings and/or photographs.

Burnt Store Isles Association, Inc.
Attention: Architectural Committee Chair
P. O. Box 510956
Punta Gorda, FL 33951

Approval Granted: _____ Date: _____

Please note: Your approval assumes the project was completed as described herein. Any as-built deviation will require a new approval. Any deviation not approved will have the same effect as an initial non-approval. This approval does not replace any necessary permits required by the City of Punta Gorda. It is the obligation of the Homeowner to determine if a City permit is required. This approval expires 12 months from the approval date or the expiration of any required City permit, whichever is later.
