

## FOREWORD

Our purpose in life is to know and love God, to be used by God as per God's plan and purpose, and in the process live our life to the fullest. The regular and purposeful reading of the Word of God, the Holy Bible, is the bedrock of Christianity and the Bible Society movement in India and worldwide continues to remain committed to the avowed purpose of making God's Word affordably available in the many languages of India and the world. In addition then, the sustained reading of a profound daily devotional such as "My Utmost for His Highest" by Oswald Chambers can help us into a deeper and more fruitful relationship with God.

Therefore it gives me joy to commend to you this translation of Oswald Chambers' "My Utmost for His Highest", published by the Indian Evangelical Mission under Copyright permission from Oswald Chambers Publications Association and Discovery House Publishers.

The Translators deserve high praise for this fine work. It is wonderful that this fine Classic which has already been translated into about 50 languages including French, Tamil, Greek and even Hebrew, is now available this year in Mizo and Bengali. It is already available in Hindi, Telugu, Tamil, Kannada, Khasi, Malayalam, Gujarati, Oriya and Marathi. I am glad to know that the Bengali publication will be made available in Bangladesh too and that this book in the other languages will be available for people of India who are now all over the world.

The Bible Society of India through The Book Room and the Auxiliaries is pleased to extend assistance to the Indian Evangelical Mission in the effective distribution of this fine book.

A word of appreciation is in order to Mrs. Nina and Mr. Yohan John Kunnenkeril who coordinate this work as a labour of love, under their John Ten Ten label.

I prayerfully believe that this work will produce much fruit, fruit that will last.
