 Air Force Academy	 Valparaiso University	 Harvard University

## The Classic Difference...

- The day begins with a one hour instructional camp that includes on-field instruction from the college coaches from six of the most prestigious academic institutions in the entire country.
- Following the conclusion of the instructional camp, all players will participate in a showcase style pre-game infield/outfield and a six inning game in order to be evaluated in a competitive setting.
- All teams will be managed by the same college coaches who worked with the players during the instructional camp.
- All players will complete a hitting analysis using HitTrax technology ([hittraxbaseball.com](http://hittraxbaseball.com)).
- All players will complete an athletic assessment conducted by TCBoost ([tcboost.com](http://tcboost.com)).
- All data collected (Contact Information, GPA, ACT, SAT, velocity, pop-time, exit speed, 60 yard dash, pro agility, and vertical jump) during this one day event will be shared with all college coaches in attendance.
- Last year, more than 25 additional college coaches were in attendance to watch the Academic Achievement Games.
