

ALL-SCHOOL SPRING PROGRAM

Our all-school patriotic program will be on Thursday, March 21st. Since we will be honoring our OLSS military heritage, students are asked to wear dress clothes. Please wear patriotic colors if possible; Scout, Heritage Girl or school uniforms are also appropriate.

Students should report to their classrooms at 6:00 p.m. and will be supervised by their teachers so that parents may attend a short HSA meeting in the Providence Room before the program. Family members not attending the HSA meeting should plan to arrive by 6:20, since the school program will begin immediately after the meeting.

As part of our program, we will once again be paying tribute to our veterans and service men and women. Families are invited to send in items for their children to carry in a procession, including hats, pictures, medals, or other memorabilia. Please make sure your items are marked with your child's name (masking tape works well for this.) The items will be stored securely when not in use, and should be taken home immediately after the program.

Thank you,

Mrs. Debbie Smedley
