Drilling Permit Hearing for The City of Goliad

Under Section 36.404 of the Texas Water Code, the Goliad County Groundwater Conservation District Board of Directors does hereby give notice of a public hearing to be held on Monday, October 21, 2019 at 5:00 p.m. at the Groundwater Conservation District Office, 118 S. Market St., in Goliad, Texas. The purpose of this hearing is to hear public comment on a drilling application for drilling permit for a test well and a drilling application for drilling permit for a water well for the City of Goliad. Proposed location for both drilling applications are located on East Ward St., in Goliad County, Texas, one block west from Hwy 183.

The proposed use for the well is to help serve as water supply for the city of Goliad located within the area in the city limits. The proposed well depth is 600 feet with a proposed 50 HP pump that has a normal rate of production of 600 gpm.

For comments or information on this permit application contact Heather Sumpter, General Manager, GCGCD at 361-645-1716 or at gcgcd@goliadcogcd.org.
