

EHQMS Policy Statement

CHG Electrical Ltd is committed to an operating philosophy based on openness in communication, integrity in serving our customers, fairness and concern for our employees and our responsibility to the communities within which we operate or may affect. Our vision is to exceed customer expectations for quality, safety, sustainability, cost, delivery and value, which shall be achieved we believe by following a systematic and disciplined approach in complying with the principles of the three Standards: ISO9001:2015; ISO 14001:2015; and ISO 45001:2018. Additionally, we are dedicated to creating a profitable business culture that is based on the following principles:

OUR PEOPLE

CHG Electrical Ltd is committed to equality in employment opportunity and rewards, embracing wholeheartedly the cultural diversity within the communities we call home. Our employees' welfare and interests are foremost throughout all aspects of our business and how we conduct our affairs. CHG Electrical Ltd is committed to:

1. Creating and nurturing an environment of success based on honesty and integrity;
2. Equitable sharing in the success of the company;
3. Employee empowerment through training, communication, consultation & participation;
4. Individual growth and equal opportunity;
5. Provide safe and healthy working conditions to prevent work related injury, ill health and incidents, appropriate to the context of our business and specific nature of the risks and opportunities identified.
6. Designing and providing a safe and secure work environment.

OUR CUSTOMERS

Customer needs are paramount and represent the highest priority within our business. Our obligation is to proactively seek out and define customer needs while addressing all requests expeditiously without creating false expectations.

OUR COMMUNITY & ENVIRONMENT

CHG Electrical Ltd is committed to supporting the communities within which we operate. We believe in the practice of social responsibility and encourage similar behavior in our employees and suppliers. We support the conservation of the physical environment and the prevention of pollution at our facilities and as such, our environmental commitments include:

1. Protection of the environment;
2. Conformity to compliance obligations;
3. Continual improvement;
4. Prevention of pollution and sustainable use of resources;
5. Climate change mitigation and adaptation;
6. Protection of biodiversity and ecosystems;
7. Other specific commitment(s) relevant to our context.

OUR WELL BEING

We are committed to comply with all applicable health and safety, legal and regulatory requirements to which we subscribe in order to:

1. Prevent accidents and work-related ill health by managing health and safety risks in the workplace;
2. Eliminate hazards and reduce occupational health and safety risks where identified.
3. Provide clear instructions and information, and adequate training, to ensure employee competence;
4. Engage, consult and participate with employees on day-to-day health and safety matters;
5. Implement emergency procedures in case of fire or other significant incident;
6. Maintain safe and healthy working conditions, provide and maintain plant, equipment and machinery, and ensure safe storage/use of substances.

OUR QUALITY

CHG Electrical Ltd is committed to achieving competitive excellence and providing our customers with products and services designed, produced and maintained to meet or exceed their expectations by:

1. Complying with all customer, statutory and regulatory requirements;
2. Enabling employees to achieve business and professional goals;
3. Continually improving our processes via our EHQMS;
4. Extending our EHQMS practices throughout our Supply Chain;
5. Continual improvement of the EHQMS.

Beginning with a clear definition of customers' expectations, we strive to consistently meet or exceed them. We adhere to all applicable standards and customer specific requirements and endeavor to provide processes that ensure we achieve this in order to build a robust and world class business.

Signed
