Tiki Tan of Yorkville opened a small, appealing salon located at 728 E Veteran's Parkway, Suite #104 (630/552-0022) in 2007. Services range from tanning to skin rejuvenation to spray tanning. Excellent customer service is the goal of owner Amanda Grzywa and there are several pricing options to fit all budgets. Business is conducted in a no pressure atmosphere with no monthly credit charges ever.

There are two levels of Tanning Beds: Level 3 for a maximum time of 12 minutes and Level 5, a high pressure bed that provides a deeper tan than Level 3 because of its super hot bulbs.

Tiki Tan offers a UV-Free Tanning Option by VersaSpa, a tanning booth with cutting edge technology and solutions and Norvell, which provides custom handheld airbrushing.

Skin Rejuvenation Services include Red Light Therapy which repairs skin damage, reduces pore size, wrinkles and fine lines, lightens age spots and under eye circles, treats acne effectively, relieves joint pain and reduces the appearance of stretch marks and scars. Its benefits are amazing and unlike cosmetic surgery, the therapy is non-invasive, cost-effective, relatively risk free and a wonderful new way to improve appearance and health; it is used by professional athletes to promote healing with powerful results.

Sunlight Sauna promotes relaxation, potential weight loss, relief of pain, reduction of blood pressure, improved circulation, skin purification and wound healing.

Nail Services take place at Tiki Tan by technician Sally Kempton (who has over 20 years of experience) and include Manicures & Pedicures, Regular and No-Chip, Full Set of Hard Gel nails, Gel Filing, No-Chip Removal and French Add Ons by appointment only – call 630/330-3504.

There are several promotions and specials throughout the year. VIP Membership is \$39 annually and \$64 lifetime; benefits are unlimited tanning, 25% off all bottled products, 50% off all single sessions and exclusive discounts and offers. Excellent specials are available for first time clients. There are packages for Level 3 & 5 Tanning, Sunlight Sauna, Red Light Therapy and Versa Spa and Norvell sessions.
