**Access 2 Recovery, LLC** provides chemical dependency outpatient treatment and education for adult probationers or adults involved with Child Protective Services as well as adults seeking treatment and education to stop the cycle of substance abuse in their lives. The services we provide will be primarily those that are ordered by the Court or mandated by Child Protective Services. We will also provide services to individuals who seek recovery on a private pay basis.

**Access 2 Recovery, LLC** curriculum will include the TCU Texas Institute of Behavioral Research Programs as included in the NREPP SAMHSA's National Registry of Evidence Based Programs and Practices, Moral Reconciliation Therapy, Cognitive Behavioral Therapy and evidence based Crossroads Curricula accredited by the American Probation & Parole Association.
