## About you & your home...

What made you look for a Great Dane? \_\_\_\_\_

Favorite thing about Great Danes? \_\_\_\_\_

Have you researched the needs and care of a Great Dane? (we have lots of info on our website!) \_\_\_\_\_

Research shows Great Danes should NOT be spayed / neutered prior to 12-24 months of age or before their first heat for proper HEALTHY hormones needed while growing.. **Do you agree to wait until AFTER 12 months old (the longer the better) AND after their first heat?** \_\_\_\_\_

**Do you understand a Great Dane Spay / Neuter is NOT routine and should be done by an experienced Giant Breed Vet Only?**  
\_\_\_\_\_

**Do you rent or own?** \_\_\_\_\_ **Circle One :** Single Family Home w/ Yard - Apartment - Condo / Townhome - Other (please explain)

**-Have you been around a Giant Breed adult before?** \_\_\_\_\_

**-Are you aware puppies require socialization with humans / other animals / environments ?** \_\_\_\_\_

**\*\*\* Should your puppy / dog ever need, are you committed to hiring a trainer to solve the problem before ever considering to return the dog??** \_\_\_\_\_

**-Are you aware Great Danes CAN drool due to their jowl size?** \_\_\_\_\_ **Is this a concern to your family?** \_\_\_\_\_

**-Is everyone in your home on board to add a puppy / Great Dane?** \_\_\_\_\_

**-Has anyone in your home had a Great Dane before?** \_\_\_\_\_

**-Do you have other animals in the home? (Please list Kind / Breed / age /gender / length of ownership/ altered?)**  
\_\_\_\_\_

**-Have you ever had any concern with dominance or aggression with them?** \_\_\_\_\_

**-What animals / Breeds have you owned in the past and how did they pass / what age?**  
\_\_\_\_\_

**-Have you ever had to rehome or surrender an animal?** \_\_\_\_\_

**\*\*\*Great Danes need continued boundaries, rules & socialization to grow into a social, well behaved large dog. We will offer \$100 food credit upon completion of a Good citizens training program with an approved trainer. Sit Happens (Pepper) is our go to and works with lots of our families. This is MORE than basic commands. Are you interested in utilizing this credit?** \_\_\_\_\_

**If yes, Do you have a trainer you work with already? (If yes, Please list who)** \_\_\_\_\_

**Would you like information on Sit Happens?** \_\_\_\_\_

**-Do you plan to crate train your puppy to start?** \_\_\_\_\_

**Do you understand Great Danes (and any animal) NEED proper training, socialization and boundaries / rules to be their best self?** \_\_\_\_\_

**-Where will your puppy be kept while at work / gone?** \_\_\_\_\_

**-Where will your puppy be kept at night?** \_\_\_\_\_

**Are you aware that Great Danes are NOT meant to live outside all the time? They are very social & become depressed when not with their humans indoors. Do you agree to keep them inside and part of the family?** \_\_\_\_\_

We never want to tell you what vet to use but MANY vets are not specialized in giant breeds and will recommend puppy food and to spay/neuter young. We strongly urge you to check with your vet on their stance and do your research. We do require these specifics for our puppies because it is the healthiest way for them to develop into healthy adult dogs. Please make sure you are comfortable with your vet's giant breed experience before bringing your puppy home!

\_\_\_\_\_ Got it, I will find out and do my research \_\_\_\_\_ I Know my vet is specialized in giant breeds \_\_\_\_\_ I don't think ours is, can you refer me to some good ones?

**Want us to know anything else when considering your application?**

**Please list your current/past vet for a vet reference we can follow up with:**

**Please list One to Two personal references who know your home life & would agree you would make a great loving home for a Dane (or any dog 😊)**

**We do have a contract that will need to be completed if a deposit is sent!**

**Basic requirements-**

\*A dog may NEVER be rehomed/ sold. It must come back to us always!

\*If we are ever alerted with concern for the safety of one of our dogs, you agree to work with us to correct the situation or sign the dog over to us if you are unable to properly care for the dog.

\*Puppies are microchipped with both Breeder and Owner information. This CANNOT be changed by owner or puppy guarantee is voided & legal action may be taken...

\*We do NOT allow breeding unless approved and full registration purchased. Not all dogs are breeding worthy & we strictly enforce this.

\*Spay / Neuter MUST take place AFTER 12 Months of age for health reasons. Contact us with any concerns.

**\*WE DO PAY FOR A LIFETIME MICROCHIP FOR EACH PUPPY & SUBMIT ALL REGISTRATION PAPERWORK SO IT'S ACTIVATED UPON LEAVING. BREEDER & BUYER STAY ON CHIP FOR LIFETIME!\***

**Health Guarantee!**

**Puppies will be health checked (and cleared!), dewormed and UTD on age appropriate shots when they leave to their forever homes. No puppy will leave if health issues arise. They each carry a 2 year health guarantee for Genetic issues not caused by mistreatment (incorrect nutrition & neglect included) or sickness that is out of our control. We now offer an extended health guarantee of 4 years for those kept on a specific food, treat and supplement. We do require proper vet documentation of any concerns. We reserve the right to get a second opinion by our vet. Please understand NO breeder/vet can control or foresee all health concerns even with proper precautions.. At 8 weeks we do a thorough exam. We send them home if they pass everything and are deemed completely healthy. We cannot predict future health issues and do everything we can to limit these issues by working alongside our vet and knowing the dogs blood line history and health.. No money will be refunded but a replacement puppy of equal value (color and price) will be provided within 12 months if ever necessary. Waiting past 12 months voids this replacement.**

**In the event your chosen puppy becomes sick/ passes for whatever reason, we will apply your paid retainer/money to the next litter. Due to the costs we put into each puppy with the paid retainer, it is not refundable but is transferable ONLY if the chosen puppy becomes unable to home. Any price difference in a new puppy is buyer responsibility.**
