## Happy Summer!

Hello Andover Glen! The board hopes you are keeping cool amidst this very HOT Summer. Everyone's lawns are looking fantastic considering the pressure the heat is putting on them.

## Community Safety

The safety and security of our neighborhood is a top priority not only to the board but you all. There have been various instances of safety threats and thefts that have hit too close to home lately

On Tuesday, July 12th as many of you know, we had an opportunity to join the Woodgate community on a zoom meeting with our new Par Officer sharing best practices for community safety

New PAR Officer Contact: Stacey Sparks - [ssparks@auroragov.org](mailto:ssparks@auroragov.org) 303-627-3175.

We will continue to look for opportunities to join Woodgate and our Aurora Police/Par Officers to keep our community safe and informed.

We will be adding safety tips handouts from that meeting to our webpage and you will also find it attached to this letter!

We have seen an uptick in stolen cars and people residing in those vehicles. If you see this, please report it to the Aurora police immediately!

Additionally, there will be a bouncy house for the younger gen!

We look forward to our first “in-person” event since 2020!

### Annual Homeowners Meeting

This will be hosted on Monday, September 19th at 7pm, in-person at the V-Esprit Active Adult community.

We will be looking to fill a few open seats on our board in tandem with this meeting. Please consider joining our group that loves serving this community so much!

Homeowners will receive a letter in the mail with all of the details, including a ballot for selecting new board members no later than August 19th, 2022.

### Neighborhood Notes

#### Trash Talk!

Dumpster Day was a huge success, so much that we had the dumpster filled almost immediately. We ask in order for us to continue this service to be respectful of what is put in the dumpster, the method in which you fill it, and most particularly that it isn't overflowing or items left outside of it. We are hoping

for this service to return in the Fall so appreciate your cooperation!

A reminder that all trash cans and recycling bins need to be screened and out of sight from street view. This is in our community covenants and the board asks for your cooperation in following those.

### Community Observations & Concerns

The board wanted to make sure that everyone has the proper knowledge on how to share a concern of a covenant violation. If you have one, and you would like to submit it to the board to take action to investigate, there is a formal process in which to follow. Please visit our official website and file a “Referral of Noncompliance” form to a member of the board. Homeowners can reference our governing documents (covenants, by-laws, policies and procedures) on the website, under the “Resources” section.

Thank you and we look forward to seeing many of you at our upcoming summer picnic next Month!
