JUNE IS SUMMER BLESSINGS

We have been so lucky to enjoy more outdoor activities together. We had outdoor entertainment day and still stayed safe & sound while celebrating another day together.

We are blessed to have such wonderful managers who actually care for our well being solely for each individual here.

We are blessed to see the blue skies shining, the green buds blossoming, our families safe and healthy, and our neighbors and friends in our community growing.

Yes, the bees are out; but don't "bee" afraid.
The birds are singing; stop and listen to their song.
Feel the sunshine like warm gold touching our souls.
Dance in your seats like nobody is watching and write the next chapter of your day in happiness.

VETERAN'S RISE & FEEL PRIDE

This Memorial Day, we praise the proud, the strong, the protectors of our freedom. Our Lost Heroes.

WORDS TO LIVE BY

My we think of our freedom, not as a right to do as we please, but as the opportunity to do what is right.

By, Peter Marshall

As we express our gratitude, we must never forget that the highest appreciation is not to utter the words, but to live by them.

By, John F. Kennedy

If you think this is simply a picture of the American flag, take a closer look and you'll see it is composed of approximately 10,000 Navy recruits and covers seven acres. Each star required 65 men to form each one. The photo was taken in 1917 for National Geographic.
