Dear Community Member,

This letter is to introduce you to our nonprofit foundation serving the greater Carlsbad Community. Believing in Christ's call to love and serve others, the Faith, Hope, & Love Foundation is dedicated to offering assistance in providing basic human needs and support for the most vulnerable and income disadvantaged in the Carlsbad community. Our sole purpose is to

provide help in times of financial distress by assisting individuals with the following needs: food, shelter, clothing, educational needs, life skill counseling, financial counseling/budgeting, mentoring, career assistance/counseling, and/or other basic human needs. It is our hope to extend the resources bestowed on us to the individuals of this community, that we might be a direct reflection of the love and grace of Jesus Christ.

Since opening our doors in April 2014, we have assisted over 500 families in the community. We have also had the privilege of supporting other organizations in the area whose missions reflect our own. These include (but are not limited to): Mission Carlsbad, Jonah's House, One Love Community, Tent City, Carlsbad Battered Women's Shelter, Backpacks for Hunger, Casa, Operation of Hope, The Bridge Homeless Ministry, and several elementary/intermediate schools in the area. Two of our largest annual projects are our School Supply Ministry (we assisted 120 children in 2016) and our Christmas Shoppe Ministry. During our Christmas Shoppe week, families come to our building and shop for new and gently used Christmas gifts at no charge! We have volunteers who wrap each gift, assemble stockings, and assist each family as "personal shoppers" so specific toys and clothing sizes are easy to find. Children are also allowed to select gifts for their parents/guardians, and are then treated to popcorn, cookies, and hot cocoa. To wrap up this fun ministry, each family receives a Christmas basket

dinner with all of the trimmings! Finally, one of our largest projects to date was working with Mayor Janaway, Carlsbad Transitional Homeless and Housing Shelter, and United Way to build Carlsbad's first transitional housing shelter in 2016.

Due to the nature of services we provide, we do accept the following donations: memorial contributions, monetary donations, grocery/restaurant gift cards, gently used home goods, bedding, dishes, cookware, bakeware, linens, small/medium appliances (microwaves, refrigerators, etc.), furniture, school supplies, new to very gently used toys/electronics (for our Christmas ministry), and toiletries. We can arrange delivery and/or pick-up options by phone and will provide tax receipts upon request.

We also welcome volunteers during our normal business operating hours to help with the following tasks: sorting/inventory of donated clothing and shoes, answering phones, filing, compiling weekly job/housing list, scheduling appointments, assisting clients with career opportunities (resume writing, interview coaching), assisting clients with basic technology/computer assistance, and assisting life skill coaching.

Please feel free to call us with any questions.

Blessings!

We are extremely pleased that the Jack Knittel Memorial Scholarship is still being made possible with the help of all the wonderful people who have contributed and still contribute to this scholarship. Without the generosity of the people in and around Carlsbad, this scholarship would not be possible.

The Jack Knittel Memorial Scholarship is a scholarship that is used to teach kids all about safety and is not bound by age or financial need. Many scholarships today focus on young adults to help them achieve their dreams by continuing their education in a collegiate setting. However, while all scholarships are truly a blessing, this scholarship is meant to assist our next generations in being able to make it to the next level to where kids can safely mature and become young adults and continue with their dreams.

Jack Knittel was a man that loved to work with kids to ensure that they stayed safe. Jack was able to recognize some of the dangers in life that we sometimes disregard or discard. Before the state of New Mexico started enforcing watercraft safety, Jack would make sure that any young individual wanting to operate his water crafts by themselves took the watercraft safety course on the states website. Jack believed that having fun was important but not at the risk of someone's life.

Three years ago, the scholarship had enough money to sponsor 10 kids for the second Nana's Fire & Safety School Summer Camp. Last year, the scholarship sponsored 20 kids and this year, it sponsored another 20 kids. It is our dream to continue this scholarship in memory of Jack so that the scholarship can continue to give back to the Carlsbad Community by helping all of our kids be able to achieve their dreams one day. We feel that it is very important that a child is not lost by some unfortunate accident that could have been prevented.

The Tres Amigo's Golf Tournament is the primary means for keeping the Jack Knittel Memorial Scholarship going. We hope that you are able to contribute in some way. Any assistance is greatly appreciated so that are kids can truly one day be our future.

Jack may not be with us physically but with your help, we can surely keep him in our thoughts and make one of his dreams come true to where no child is lost senselessly. We thank you from the bottom of our hearts and are blessed to have such great people in and around the community of Carlsbad.

Sincerely,
Maria, Jeff, Madison, and Alexia
