The president opened the meeting with a few announcements that have been incorporated throughout the newsletter.

The membership drive for 2017 started, and elections were held. The officer line-up for 2017 is as follows. President – Joe Wertner, Vice President – Nelson Zullinger, Second Vice President – Jim Stottlemeyer, Secretary – Beeler Caldwell, and Treasurer – Rod Stabler.

Mentors were auctioned off to the highest bidder as a fund-raising event for the club. Bill Krofft won a session with Bob Robinson and Jim Stottlemeyer, and Joe Wertner won a session with Bob Daniel. “Big Thanks” to our volunteers and bidders.

The winner of the win-one, turn-one for the night was Ken Walker. He was presented with a bowl made by Bill Fordney, and received a wood blank from the club.

The demonstration for the night was outboard turning, presented by Jim Mills and Jim Stottlemeyer. The demo was recorded by Lee Burkholder, and will be available on YouTube. You can check Lee's channel, or the links page on the website to see when it's posted.

Show and Tell

Our challenges are geared to take our members out of their comfort zone by having them turn a designated item, or perform a certain task. **The Challenge for November was to turn a pen.**

We also enjoy projects that members are willing to share with the club. This gives other members ideas on what they may want to turn.

Turnings are photographed at the club meetings, and are usually posted on the club's website for all to see. **To see these and other great turnings please [click here](#).**

The challenge for December is to turn an ornament for the Christmas Party.

Upcoming Events

Gettysburg Gingerbread Celebration – December 2nd and 3rd. Our club participates in this event by giving children the opportunity to experience wood turning. We will be showing them how to turn pens again this year. Bob Robinson heads up this event, and is in need of some helpers. If you can donate some time please let Bob know.

Please don't forget to check-out the club's web site.
