Prepare your heart to Worship -

We are like seeds on the wind, set free by the Sower.
The hand of God saves us from the rocky pathways and the thorny ground. In Christ, we find good soil. The Holy Spirit nourishes us as we grow. Come! Let us worship the Sower, who plants us in the fields of life.

Opening Prayer

O God, keep our whole country under your protection. Wipe out sin from this land; lift it up from the depth of sorrow, O Lord, our shining light. Save us from deep grief and misfortune, Lord of all nations. Bless us with your wisdom, so that the poor may not be oppressed and the rich may not be oppressors. Make this a nation having no ruler except God, a nation having no authority but that of Love. Amen.

Prayer of Confession **Praying together silently**

Caretaker of our souls, we yearn to resist the allures of status and prestige, for we often pierce ourselves with wounds of our own making. We long to bloom where we are planted, that righteousness and peace might flower in our lives. Free us of the fear of appearing foolish before others, as we seek new growth in your Spirit. Nurture us with your grace and mercy, that we might blossom and bloom as followers of Christ. Amen.
