August 23, 2017

Dear Dr. Doug Baker, Steve Foreman and Zanesville City Schools Sponsor Governing Board.

During the 2016-17 school year Zanesville Community High School had a student enrollment as high as 125. Our May Commencement exercise was held on May 19, 2017 at Zanesville High School. 42 students were awarded diplomas.

During the 2016-17 year, Zanesville Community High School also received an Auditor of State award for a clean audit of our financial records.

The Zanesville Community High School 2017 ODE DORP Report Card was issued this past summer. Four different measures are calculated to determine the report card final overall rating. These include Combined Graduation Rate, High School Assessment Test Passage, Progress, and Annual Measureable Objectives. We as a school achieved 80 points out of a possible 100 for an 80%. The school then receives a final rating of either Does Not Meet Standards, Meets Standards or Exceeds Standards. Since we met 80% we are pleased to announce a final rating of Exceeds Standards on the 2017 DORP Report Card.

Respectfully,

Jeff Moore  
Director/Principal  
Zanesville Community High School
