

GRAND TREASURER CORNER

AUGUST 2020

REMINDERS:

1. If your Auxiliary did not pay for a bond last year (2019 – 2020) you will need to file for a bond this year. Please remember that the office of the President and Treasurer must be bonded.
2. In the September mailing I will list those audits that we are missing – as we can meet in small groups (5 or less) we can catch up on those audits.
3. Remember to send out dues notices. All officers must have their dues paid by December 31, 2020.
4. Start paying those across the boards.
5. By now all auxiliaries should have received their treasurer's packets with 2020 – 2021 dues cards, membership listing, new transmittal forms – if not please contact our Supreme Treasurer Penney Howard.
6. Checks sent to the Grand – must be made out to the Grand of NM MOCA – not the treasurer or they will have to be sent back.
7. If sending transmittals please remember to enclose two copies of the transmittal form – one for the Grand and one that I send out to Supreme with the Grand Transmittal.

If at anytime I can be of help, please let me know.

Thanks for all you do,

Kandy Brazell
