

PRODUCT DATA SHEETS

EXTRACTO – CARPET SHAMPOO AND DEODORIZER

DESCRIPTION

Extracto is a heavy duty, liquid detergent especially formulated for use in “steam” carpet cleaning equipment and hot water extraction systems.

In this method, the cleaning concentrate is applied to the carpet in a high pressure spray and literally blasts the dirt and soil out of carpet. It is instantaneously vacuumed up, in the same pass, so that no residue remains in the carpet. Contains fresh fragrance odor neutralizer and water softeners to reduce mineral buildup on spray heads.

FEATURES

- **DEODORIZES**
- **NON-FOAMING**
- **PHOSPHATE FREE**
- **NO SOAPY RESIDUE**
- **PROLONGS CARPET LIFE**
- **REVIVES COLOR AND LUSTER**
- **EXCELLENT PILE RESTORATION**

USE AND DIRECTIONS

Dilute from 1 ounce up to 4 ounces of product to a gallon of water, depending on soil conditions, in solution tank.

Use equipment according to manufacturer’s instructions.
