---

Dear Village of Milan Residents,

On May 8<sup>th</sup>, 2018, the Village of Milan will ask its residents for their continued support by voting for a 3.50 mill **RENEWAL** general operating levy (Issue #6). This **RENEWAL** levy will generate \$94,230 per year for 5 years. Because this is a **RENEWAL** levy, no new taxes will be imposed against property values.

The passing of the **RENEWAL** operating levy will continue to fund the general operations of the Village of Milan such as police protection, leaf pick up, snow removal, brush pick up, yard waste, equipment, permanent improvements and much more.

The commitment for cost savings by Village Administration and employees is ongoing. This commitment, along with a yes vote for the 3.50 mill **RENEWAL** (Issue #6) general operating levy will allow the Village of Milan to continue providing quality services.

Thank you in advance for your support.

Steve Rockwell  
Mayor
