NFL YOUTH & MOTHERS
FOOTBALL CAMP

Eric Matthews Foundation NFL Youth & Mother's Football Camp was started by former NFL player Eric Matthews. In the last 7 years our camps have been teaching the game of football to kids across the USA reaching over 5000 kids, from Georgia, Florida, Mississippi and Wisconsin. 2018 we are planning to take our camp to South Africa. Our Youth Football Camp instructors include current and retired NFL players who provide hands on teaching of skill fundamentals as well as position specific training. We recognize many character values that football engenders as integral to success off of the playing field as well as on it. Thus each day we focus on a key principle and how it relates to football as well as life, with one of our NFL players directly addressing the campers. Mothers will have the opportunity to participate in the camp, where they will learn with their child go through in practice and get a better understanding of the position their child is playing.
