

Registrations and Payments

All registrations are accepted on “first-paid, first-served” basis (registration and payment received). Teams are not officially added to the tournament until payment is received in full. P2P Sports reserves the right to reject or to revoke any registration at its sole discretion.

Type of registration accepted

Teams may register online via credit/debit card, or in person. Checks sent in the mail are discouraged as until a check is received, cashed and verified payment, a team is not considered eligible to participate in the tournament.

Communication

Once registration is received, P2P Sports will confirm with email, and/or phone call.

Teams needing practice time prior to event are honored FREE with availability and first-come, first-serve reservations.

Discount lodging and discount team meals are coordinated with the P2P Sports Staff.

Cancellations and Refunds

All cancelations must be communicated verbally and in writing. Tournament registrations cancelled 15 days before the start of the scheduled event will receive a full refund. Registrations cancelled 10-14 days before the scheduled event will be eligible for credit for an additional event to the amount of the original purchase. Any registrations cancelled after the tournament has been scheduled (9 days out), no refund is provided.

Pricing and Promotions

P2P Sports reserves the right to change prices or cancel promotions/discounts at any time. All previous purchases and promotions are considered final. Any change that decreases a purchase price will not result in a refund/credit.

Scheduling

Teams are not scheduled for any event without full payment in advance.
