

Two Biloxi Eye Doctors Sweep Four Awards

Biloxi ophthalmologists Dr. Joel Knight and Dr. Rainna Bahadur each received four awards for excellence in patient care.

Both doctors are owners/partners of Eye Associates of the South, a comprehensive eye care practice that has clinics in Biloxi, Ocean Springs and Gulfport, Miss.

Bahadur and Knight's dual honors are the Top Doctor Award from Castle Connolly Medical Ltd., the Patients' Choice Award, the Compassionate Doctor Award and the On-Time Physician Award.

All four are national awards groups with merit based fully or in part on local patients' evaluations, typically gathered from internet reviews concerning doctors' expertise and quality of care.

A Castle Connolly physician-led research team reviews and screens all of their nominated physicians before selecting those regarded as most outstanding healthcare providers to be Top Doctors, according to Castle Connolly.
