

# CAMPUS HIGHLIGHTS

MAY/JUNE, 2018  
LAST EDITION FOR 2017-2018

## We are ... **MUSTANG STRONG!**

Dear SSA Mustangs,

Often your parents ask us what you should do in the summer to help you be ready for the first day of school. Our immediate "educator" response is to practice reading and math skills, but we actually want you to be academic scholars combined with so much more. We want you to be responsible, respectful, trustworthy, fair, caring, and well-rounded positive and productive citizens. We want you to be **Life-Long Learners ... Future Leaders ... World Changers ...** because ...

### **YOU ARE AMAZING, INTELLIGENT, TALENTED, AND THE WORLD NEEDS YOU!**

Last year we learned so much more than what was in the textbooks. This summer as you read and practice math, we challenge you to also continue practicing these other essential skills.

**1. MAKE A DIFFERENCE** – Each day at Morning Assembly we reminded you to make a positive difference and on a daily basis you did this. We observed you holding the door for others, being a caring friend, saying please and thank you, welcoming visitors, and speaking kind words. We encourage you to continue practicing this skill this summer.

**2. DO WHATEVER IT TAKES** – What do successful individuals all have in common? *Perseverance – Grit – Doing Whatever It Takes!* We often want to help when you are unable to immediately solve a problem; however, we know this is more harmful than helpful. It is important for you to figure out solutions on your own. This summer we challenge you to persevere when faced with obstacles ... work independently to solve problems ... continue trying until you succeed ... and do whatever it takes to complete the task.

**3. CONTINUE LEARNING** – Along with reading and math, there is so much more to learn! We ask you to practice reading and math, but also learn new skills - wash the car ... feed the dogs and horses ... fold and put away clothes ... throw the football, shoot some baskets, kick the soccer ball ... bake cookies or make lunch ... visit lonely friends ... clean the yard. We invite you to explore your surroundings, crawl outside of comfort zones, and continue learning. And remember – when you don't succeed the first time, it just means you haven't succeeded ... YET.

**4. CELEBRATE FAMILY** – During the school year we enjoy being together and celebrating our SSA family. Much of your week is spent with us, but in June and July you have the chance to spend more time with your family. We know your family is special in its own way and we want you to appreciate this - read together, have conversations, play games, help one another, hang out together. We encourage you to make this summer about family and celebrate!

We are excited to see you in August and wish you a peaceful summer!

In SSA Spirit and Love,

*Mrs. Panagopoulos, Ms. Stewart-Alliger, and the SSA Mustang Team*

Stepping Stones Academy is delighted to announce the hiring of Mrs. (Joann) Brown for first grade! Mrs. Brown has been teaching for 20 years and is excited to join the SSA Mustang Team.

Mrs. Brown moved with her family 10 years ago from the east coast – from Massachusetts to Arizona. Mrs. Brown and her husband have three children. Her oldest son, his wife, and their three children recently moved to Arizona; their daughter, husband, and two children live in upstate New York; and their youngest son is in graduate school and will be getting married next June. Mrs. Brown enjoys hiking, gardening, going to the beach, and most of all, spending time with family.

***We have an obligation to read aloud to our children.***

To read them things they enjoy ...  
to read them stories we are tired of ...  
to do the voices ... to make it interesting ...  
and not to stop reading to them  
just because they are able to read themselves.
