ITINERARY:

Day 1 (AYOE)

Leaving the U.S. we will experience the sunset at 30,000 feet over the Atlantic Ocean, heading towards Europe. We will make a quick stop to stretch our legs and change aircraft in The Netherlands. Then off to Copenhagen, Denmark!

Meals and beverages are available for purchase on board the flight.

Day 2 (L, D)

Arrive at Kastrup Copenhagen airport in Denmark. Here you will be greeted by our travel-leader Anna and our bus driver who will join the group. Once our group is gathered we will take the bridge over to Sweden and head to our first hotel located in the beautiful region of Österlen. Don't worry, we'll be back to Copenhagen in a couple of days. During the bus ride we will hand out your welcome package and some general information about the tour. You will also receive a light lunch. After checking in and settling in to the hotel we will all gather for a welcome dinner later that evening.

Day 3 (B,L)

After waking up and taking in the beautiful scenery and the ocean breeze we enjoy our first of many gourmet breakfast buffets. We will then board our motorcoach and head south along the shoreline to take in the history of the area. We don't want to give too much away but we can say the day includes some spectacular views with vibes from the Viking-era. We will also make a visit to the best preserved medieval fortress in all of Scandinavia! After a full day of fun the bus takes us back to our hotel where you choose your own schedule for the evening. We have some great restaurants to recommend!

Day 4 (B)

Let's head to Denmark! Today is all about Copenhagen. We take the famous Öresund bridge and tunnel connecting the city of Malmö with Copenhagen. Today you will get to browse beautiful Copenhagen on your own. Experience modern shopping and your choice of museums and other attractions. We have lots of activities to recommend. For example, why not have a famous pölse (bright red hot dog) and a world famous Carlsberg beer for lunch?

Day 5 (B, L, D)

After spending 3 days in the southern tip of Sweden we head north to the province of Småland. Our first stop is Älmhult, and the location of the first ever IKEA store! We will tour the IKEA museum and have lunch there. In the afternoon we continue north, & after another stop along the way we reach the town of Huskvarna where we'll visit the historic and world-famous Huskvarna factory and its museum. It is early evening when we reach our second hotel located near Sweden's second biggest lake, Lake Vättern. Here we settle in and gather together for dinner in the evening.

Day 6 (B, L, D)

We will spend today in and around beautiful harbor-town Gränna where we walk the cobblestone streets and visit local stores surrounded by cozy log homes. Gränna is home of the world famous striped rock candy. Why world famous, you might ask? Just wait until you taste it :) We will also pay a visit to Visingsö Island and explore the island with a horse and carriage ride called "remmalag". Here you will walk among castle ruins dating back some 500+ years. We will enjoy lunch out on the island. The ferry takes us back to Gränna late afternoon where you will have some free time before dinner is served at the popular fish restaurant in the harbor.

Day 7 (B, L, D)

Today we take a day-trip to the Kingdom of Glass! Here you will tour Sweden's largest and most historic glass blowing factory, and even get a chance to blow your own piece of glass! We spend most of the day in the Kingdom of Glass where we will also enjoy lunch. We will head back north in the afternoon and finish the day with a lakeside dinner at one of the pier restaurants in the harbor of Jönköping.

Day 8 (B, L, D)

After breakfast and checking out from our hotel its time to head west. We leave the province of Småland and travel through Västergötland up to Dalsland. We will make a stop on the way to tour beautiful Läckö castle, located by Sweden's biggest lake, Lake Vänern. Here we will be able to stretch our legs and experience what life was like living in a castle throughout the past 700 years or so. We will also enjoy a light lunch before heading to our next hotel, Baldersnäs Herrgård, a hotel located on the grounds of an 1800's mansion, where we will be staying for three nights. After checking in and becoming familiar with the grounds dinner will be served at the mansion.

Day 9 (B, L, D)

Today we explore Dalsland and all of its beauty! We travel through ancient forests and rolling hills before we reach our destination of Håverud. From here we take a boat ride through some impressive locks and canals before reaching the small parish of Tisselskog. We will enjoy lunch on the boat. Tisselskog is home to stone carvings dating back thousands of years. After a full day of fun we head back to our mansion where dinner is served later that evening.

Day 10 (B, D)

We are off to Norway! We will drive across the province of Dalsland and take in the beautiful scenery. Our destination is Oslo and the largest sculpture park in the world. This park is big and you will have some free time here to take in the art at your own pace. After lunch we make a stop at Holmenkollens impressive winter park where the Norwegian national ski-team practice year around. Prepare for some astonishing views! The day also includes a stop at the Oslo opera house. After a day spent in Norway we will head back to our mansion where dinner is served later that evening.

Day 11 (B, L)

Midsummer, the longest day of the year! After a good night sleep we are off to Stockholm. But since today is mid-summer's eve we have to celebrate. This is the biggest holiday in Sweden. Because today is a long travel day we will make this a day-celebration and make a stop on the way to celebrate with the locals and have a festive authentic midsummer lunch. It is late afternoon/early evening when we reach our hotel in Stockholm. After we check in at the hotel located in the heart of Stockholm you have the night to spend at your own leisure.

Day 12 (B)

Today is all about you and Stockholm! You have the entire day to explore Stockholm at your own leisure. We have some great recommendations of some must-see spots in Stockholm. Why not visit the Royal Castle, walk around in Old Town, or visit the Vasa Museum? There is lots to see and lots to do!

Day 13 (B, L, D)

A day in the archipelago of Stockholm! Today you get to see the beauty of Stockholm from a difference perspective. We will all walk down to the water from our hotel. From there we will take a small ferry out to one of the thousands of small islands that make up the archipelago. Here we will walk around, visit some shops, enjoy the atmosphere and have lunch. The ferry will dock back to Stockholm in late afternoon. We end day 13 and the last full day of this amazing tour with a goodbye dinner back at the hotel.

Who We Are

We are a family owned and operated business. Co-owners and siblings Anna and Martin Hallkvist are both native to Sweden and experts in the area of travel and tourism. After operating and guiding a number of smaller tours in Sweden over the past couple of years, Anna and Martin decided to start Scandi Experience in the fall of 2015.

How We Operate

We operate from both the U.S. and Sweden. Our office is located in Stillwater, MN. We also collaborate with Scandinavian gift shop Scandinavian North in Stillwater, MN, where you can stop in or call to get brochures and other info on our tours and services.

Our Goal - An Unforgettable Experience

Our goal is to make each tour a truly unique experience that you can't get anywhere else. We plan each and every event and location from our own experiences. If we have not experienced it, we will not offer it on our tour. That is why we call our business Scandi Experience. We will be with you along the way to assist and answer any questions you might have. Opposed to other tour operators who just sell you the tour, we actually travel with you. We do this to make sure you receive the best experience possible.

In Collaboration With Scandinavian North

Scandinavian North is a gift shop located in downtown Stillwater, MN. They also have an online store (www.scandinaviannorth.com). Since both Scandinavian North and Scandi Experience are owned and operated by the same family, it was natural to collaborate together. Although the tours are operated by Scandi Experience you can still visit or contact Scandinavian North with any questions you might have regarding current or upcoming tours. Scandinavian North will stock all brochures and materials for all of Scandi Experience's tours.
