Colleen Brophy (2017, ceb2020)

Treasurer: Cher Lu (2018, cml2214)

Secretary: Monicka Arora (2018, ma2891)

Mission Statement:

The mission of the AAWD is to be a resource for future women dentists. Our organization seeks to enrich the lives of its members by offering a variety of programs centered on the unique needs of women dentists. Our group hopes to instill a sense of passion, integrity, and service in members through various charity fundraisers and community events. Recognizing the importance of mentorship, the AAWD also aims to connect students with upperclassmen, faculty, and local practicing dentists who can serve as female role models in the dental field.

Requirements of Membership:

AAWD Membership is available to all CDM students; both men and women are encouraged to join the organization. Membership dues are \$5 and this fee includes entry and food at all events throughout the year.
