

# SPAIN 2015

## Barcelona, Madrid, Granada & Seville

October 11<sup>th</sup> – October 23<sup>rd</sup>, 2015

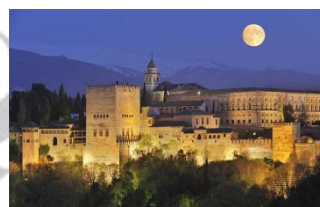

Join *Restoration Journeys* in breathtaking Spain!

Our journey will begin in Barcelona, a city that is rich with cultural history and full of life on the Mediterranean coast. Barcelona differs from other Spanish cities having two official languages & cultures, Catalan and Spanish. English is also widely spoken. Explore and enjoy all that Barcelona has to offer while staying in the center of the city. We will spend time learning about many forms of restoration in Spain at the ECORE School who specialize in all forms of restoration, as well as tour the Picasso Museum, marvel at Gaudi's Basilica de la Sagrada Familia, and experience Barcelona's culture along the famous Las Ramblas. You will have time to explore Barcelona on your own; shop in boutiques; and enjoy not only the wonderful Spanish cuisine, but Catalan as well!

As a group we will travel to the heart of Spain to experience Madrid! You will visit the world famous Prado Museum, admire the Royal Palace, and enjoy a Spanish Dinner and Flamenco show. We will have the opportunity in Madrid to tour the Royal Tapestry Factory (Real Fábrica de Tapices). This factory, founded in 1721, creates tapestries by hand using the loom techniques from the 18<sup>th</sup> century and rugs in the Turkish and Spanish knot techniques. They also restore and preserve these works in their specialized workshop that enables them to use the latest techniques in conservation. *"The methodology, installations and team of the Real Fábrica de Tapices places us as among the main international leaders in the field of conservation of tapestries and historic textiles."* This visit is truly a once in a lifetime experience for those who are passionate in the creation and conservation of textiles.

From Madrid, we will travel together to Granada in Southern Spain. Granada is a city rich in history dating back to 5500 B.C. People of many cultures have settled in Granada throughout history including Roman, Jewish, Muslim, Moorish and more...their influences are seen all through the city. Granada is most known for the Alhambra, a Moorish palace-citadel from the 13<sup>th</sup> & 14<sup>th</sup> century that overlooks Granada and includes the royal quarters, the court complexes, a bath and a mosque. We will tour the Alhambra and learn about restoration during our visit. Also enjoy the local cuisine through cooking and a possible day trip to the southern coast of Spain.

From Granada our group will continue on to Seville. Seville is an amazing city with a mix of cultures from Spanish to Arab and influences from Roman to Jewish. Here we will offer optional day trips to Cordoba, Jerez, Strait of Gibraltar, and we will spend an afternoon at a local Bodega to learn and taste Spanish wine.

We hope you are able to join us in our "*Restoration Journey*" to breathtaking Spain!
