The Ancient Greek Site of Halicarnassus in what is now Bodrum, Turkey is a Prime Example of how the Cydonia, Mars Triangulation Complex is interwoven with the Natural Topography of an Area and is incorporated in 1 of the 7 Wonders of the Ancient World. The 'Wonder' is that of the Mausoleum or Temple dedicated to the King, Mausolus. The Back-Story of this King is very interesting in that his Queen and Wife were his Sister. Realize that in the Ancient World, such Marriage Arraignments were common. This Practice of In-Breeding occurred in Egypt and all the way up to the Habsburgs of Spain and Austria, for example.

It was at the Death of Mausolus, that his Sister-Wife-Queen started to build this Temple in his Honor. However, she too died before the Work could be completed. Nonetheless the Mausoleum was finished at the bequest of its Workers, allegedly. Even though this City State was Greek, it was 1 of the few Provinces in Asia Minor or what is now Turkey that stayed within the then Persian Empire and did not revolt. The following is an Excerpt from Context to show the Disposition of this Place and Time.

Halicarnassus was an Ancient Greek City in Caria, in Anatolia. Ἁλικαρνᾶσσός, Halikarnāssós; Turkish: Halikarnas; Carian: ΔΔΟΜ ΧΑΡΥΟΜ. It was located in South-West Caria, on an advantageous site on the Gulf of Gökova, which is now in Bodrum, Turkey. The City was famous for the Mausoleum of Halicarnassus, also known simply as the Tomb of Mausolus, whose Name provided the Origin of the Word 'Mausoleum'. The Mausoleum, built from 353 to 350 BC, ranked as 1 of the 7 Wonders of the Ancient World.

Halicarnassus' History was special on 2 interlinked issues. Halicarnassus retained a Monarchical System of Government at a Time when most other Greek City States had long since rid themselves of their Kings. And while their Ionian Neighbors rebelled against Persian Rule, Halicarnassus remained loyal to the Persians and formed part of the Persian Empire until Alexander the Great captured it at the Siege of Halicarnassus in 333 BC.

The 1st Settlers were originally Dorians from the Peloponnese. The inhabitants appear to have accepted Anthes, a son of Poseidon, as their legendary founder, as mentioned by Strabo, and were proud of the title of Antheadae. There are Figures on Coins, such as the Head of Medusa, Athena or Poseidon, or the Trident. Zephyria was the Original Name of the Settlement, and the present site of the Great Castle of St. Peter built by the Knights of Rhodes in 1404 AD. It was built on what was originally an island, which gradually expanded to include several Carian Settlements on the Mainland.

Halicarnassus was then ruled by a Brother-Sister Monarchy of Mausolus and Artemisia. They spent huge amounts of Tax Money to embellish the City. Mausolus and Artemisia ruled over Halicarnassus and the surrounding region for 24 Years. When Mausolus died in 353 BC, his Wife, Sister and Successor, Artemisia II of Caria, began construction of a Magnificent Tomb for him and herself on a Hill overlooking the City. She died in 351 BC (of grief, according to Cicero, Tusculan Disputations 3.31).

According to Pliny the Elder the Craftsmen continued to work on the Tomb after the Death of their Patron, 'Considering that it was at once a Memorial of his own Fame and of the Sculptor's Art'. The Mausoleum was finishing in 350 BC. During the Crusades, the Knights used the Building Blocks to build the St. Peter's Fort. The Ruins of the Mausoleum were recovered sufficiently by the 1857 Excavations of Charles Newton to enable a fairly complete Restoration of its Design.

The Mausoleum consisted of 5 Parts—a Basement or Podium, a Pteron or Enclosure of Columns, a Pyramid, a Pedestal and a Chariot Group. The Basement, covering an area of 114 Feet by 92, was built of Blocks of Greenstone, cased with Marble and covered in Carvings of Cows. Around the base of it were probably disposed groups of Statuary. The Pteron consisted (according to Pliny) of 36 Columns of the Ionic Order, enclosing a Square Cella. Between the Columns probably stood single Statues.

From the portions that have been recovered, it appears that the principal Frieze of the Pteron represented combats of Greeks and Amazons. In addition, there are also many Life-Size Fragments of Animals, Horsemen, etc., belonging probably to Pedimental Sculptures, but formerly supposed to be parts of Minor Friezes. Above the Pteron rose the Pyramid, mounting by 24 Steps to an Apex or Pedestal. On this Apex stood the Chariot with the Figure of Mausolus himself and an Attendant. The Height of the Statue of Mausolus in the British Museum is 9'9" without the Plinth.

Herodotus (Ancient Greek: Ἡρόδοτος, 484-425 BC, was a Greek Historian and Geographer from Halicarnassus, now Bodrum, Turkey. He was a later Citizen of Thurii in Modern Calabria, Italy. He wrote the Histories, a detailed account of the Greco-Persian Wars, and was the 1st Writer to apply a Scientific Method to Historical Events. He has been described as the 'Father of History', a Title conferred on him by the Ancient Roman Orator Cicero, and the 'Father of Lies' by others.

What one will do next is interpret the Cydonia, Mars Triangulation that one is convinced is found at Halicarnassus. As with all other Sites on Earth, both Ancient and Modern, the Triangulation is 'Hidden in Plain Sight'. It can only really be discerned from an Aerial View, thanks now to Modern Technology using Google Maps, for example.

Being that the Mausoleum was the Prominent Point in the Triangulation, it corresponds to the Face of Mars. What is a give-away is that the Orientation of the Face is pointing North. Based on the Cydonia, Mars Triangulation and Orientation, the Face would be corresponding and likewise Pointing North. This is why the Mausoleum has its Entrance not facing East or South, but North.

Demigod Rulers on Earth

Then the Giant D&M Pentagon Pyramid of Cydonia, Mars corresponds to the Ancient Greek Theatre that is nestled against the City Hill to the North of the Mausoleum. Then the Cydonia, Mars Pleiades Pyramid City corresponds to where the Old Crusader Fort now stands. It used to be called Saint Peter's. The Site used to be an Island but over the Centuries, it connected to the Mainland. It used to be an Ancient Fortress Settlement. But the Crusaders and then the Muslims used almost all of the Building Blocks from the Mausoleum to build the Fort.

What is very evident from the Aerial View is how the Fort and its Core Structures are orientated to approximately match the 7 Stars of the Pleiades. So, to reiterate one's Martian Motif Theory, it is that the Triangulation found on Mars is replicated on Earth. It is because, whoever built those Structures, Pyramids set on a Triangulation Pattern gave that Template to Humanity. It has been the Ruling Bloodlines of Humans throughout Human History, since Adam that have been endowed and entrusted with such Secrets, Technology and Power, Economic, Military and Political Power, etc.

One is convinced that Earth had a Pre-Adamic Civilization with direct Connection to Mars and Heaven. But that these Divine Beings, before Adam are what the Bible attributes them to being the Fallen Angels in Rebellion to YHVH. It is led by Lucifer that perhaps once was the Ruler of Earth, and still is, technically. He saw the Creation of Adam and his Human Race as a Direct Threat from YHVH in an attempt to repossess Earth back into the Kingdom of GOD, etc.

And why the Triangulation on Mars and on Earth is significant is that it is what is patterned after in Heaven itself. It is based on Sacred Gematria that configures a Hexagram. This is essentially the Mechanism for producing a Star-Gate or Portal and can pierce Dimensions. They are set at the particular Earth Energy Grid Points based on the Earth's Magnetic Field that energizes them with Frequency, etc. One is convinced that from snippets of various Military Whistleblowers, these Entities are passing as 'Ancient Aliens' in an attempt to fool Humanity.

Such Fallen Angels, or 'Martians' are still active within Humanity on Earth as they are in Mars though Underground. It is because Mars suffered a Nuclear War that perhaps was as a result of the Angelic War that is still raging and will be until Jesus returns to Earth. It is at that Point in Time that Jesus will take possession of all that has rebelled in Creation. Lastly, the Bible teaches that at the End of Jesus' Reign on Earth, that will last for 1000 Years, that Triangulation found in Heaven will literally come down to Earth.

In some amazing way, the Dimensions will merge to have Heaven literally on Earth, as one. This Notion is in reference to the New Jerusalem that will come down from Heaven. And that is perceived to be a Perfect Cube or a Tetrahedron type of shape. But it will be where the 3 Powers, those that Testify in Heaven, the Spirit, the Water the Blood will make their Permanent and Eternal Residence on Earth, along with a Redeemed Humanity.
