Bid Specification Packet

The Lathrop Manteca Fire District is continuing to standardize its fleet. The fire district performs minor repairs by using employees that are familiar with vehicle makes and models. Using other makes, and or models has been identified to have adverse actions on budgeting for maintenance and personnel training. For this reason the Lathrop Manteca Fire District is seeking bids as outlined below. If any vendor needs an exception to the bid please state so in writing, and identify the item in question. Furthermore, a description of the item being used in place of or the reason for deletion will also need to be made in writing.
