

QUESTIONS YOU MIGHT HAVE

“Who Is Pregnancy Options Center?”

Pregnancy Options Center (POC) is an organization that helps women, men, and families who are dealing with unplanned and/or crisis pregnancy situations. Founded in 2016, POC recently opened its doors to the public March, 2018 and has served several clients and families to date! The center provides several cutting edge tailored coaching & educational service programs to “meet each client where they are while provide non-judgmental, non-confrontational information in a relaxed setting. Life coaches not only educate each client but also walk alongside them in the journey infused with “help, hope and healing” shared through the wonderful Love of Jesus Christ. We are very much a pro-life organization but we are non-political, non-judgmental, non-confrontational and never tell anyone who receives our services what they can or can’t do.

The very existence of POC would not be able to continue without all those who have been helping fund this mission ministry. There is a growing hope for continual Lord led provision in order to reach the rising amount of women and families out there who don’t know such critical and “Christ-led” services are available.

All the center’s services are free of charge and include pregnancy tests, ultrasounds, life skills classes, parenting classes, women’s and men’s crisis coaching, adoption referrals, post abortive counseling. A “Boutique” is also available containing baby and pregnancy related items most often needed. The primary goal is to save lives by equipping every client who walks in the door for the journey ahead of them--benefitting one another as a community, one life at a time!

“If I Walk For POC, Will I Really Make A Difference?”

Absolutely!!! Not only will you make a HUGE difference, it’s a mathematical certainty you will save babies by walking with us! See, comparing the number of babies saved to overhead costs for other PRC’s (pregnancy resource centers) it was found to cost approximately \$500 to save one baby!

“I Want To Walk! How Do I Get Started?”

There are two easy ways to get started saving babies! Call us or stop by the center to get quickly registered and your official “Walk For Life” packet. You can also go to www.pocofwarrencounty.org , click on “events”, scroll down to the “Walk For Life” tab and click. The Walk For Life flyer on that page has a registration button, and the walker forms you can download to make your own packet. Please remember to register first before printing the forms.

Besides directly asking others to sponsor you, it’s highly recommended you use all the media based sources you use, like email or Facebook, to let your friends, family, and acquaintances know **YOU** are “walking to save babies and provide critical services to those experiencing crisis pregnancies in our community, county, and beyond.” These ways make asking others to sponsor you easier. If you have any questions simply call the center at (636) 235-1477.

How To Use Your Sponsor/Pledge Form

- Be sure to PRINT all information in your Sponsor/Pledge form.
- Fill in your information at the top of the form.
- Make certain the correct box is checked for the “Paid” or “Bill Me” option.
- Obtain a complete address and phone number for each of your sponsors. A complete address is essential to send and invoice to those who wish to be billed for their sponsorship or to receive a donation receipt.
- Mark your sponsors’ donations amount clearly.
- Turn in your sponsor form(s) along with the money you collected at the event.
