

Official HBSA 2020 season refund policy

If you have chosen not to have your child participate in the 2020 season you have two options.

1. Roll your payment over to next season registration.
2. Request a refund from the league.

If you request a refund here is our policy.

1. You can receive everything you paid at registration except the \$75 you paid for the raffle book. We don't want your raffle book back. We will be holding the raffle at the end of the season so hold on to your stubs.
2. To request your refund, e mail George Czarnik at geocool@ameritech.net. Do not call or text.
3. Include the Name of the child, Parents name, age group the child was in, good phone number and method of payment.
4. No matter what kind of payment you made your refund will be by check from the league.
5. You will be mailed your check in anywhere from 2 to 4 weeks.
6. If you signed up for our Winter Clinics, the two weeks missed will be made up during the month of June on two Sundays to be determined. If your child does not want to attend the make ups we will credit you for the two weeks for next years clinics. We will not be refunding the missed 2 weeks.

As a side note. We are the only In House league still attempting a season.

FYI Westside baseball in Oak Lawn just informed their parents there is no money left for refunds. If Chicago Ridge has to cancel they are still making the parents pay for their uniforms because they have their names on the back.

This is a whole new ballgame folks and we are just along for the ride.

Please stay safe.

George
