INTRODUCTION:

These rules and regulations are subject to change with notification at any time. The purpose of this handbook is to help explain the law regarding the rights and obligations of landlords and tenants. It should be used only as a guide and is **not** intended as a final authority or source of legal advice. This handbook is written with the hope that better understanding of the rights and obligations of each party may help prevent conflicts before they occur. The Virginia Residential Landlord and Tenant Act (VRLTA) is the primary Virginia state law regulating legal relationships between landlord and tenant. It supersedes local, county, and municipal ordinances and regulations. Other codes and ordinances also apply to rental units and agreements. The Virginia Uniform Statewide Building Code provides minimum standards for health and safety as does the National Property Maintenance Code. Fair housing codes are written by the county, state, and federal governments.

CONSIDERATIONS BEFORE RENTING:

Before signing any rental or lease agreement or addendum to lease agreement, prospective tenants should carefully read the lease and the Tenant Handbook to become familiar with all of its requirements and provisions. Remember, when a rental agreement is signed, it becomes a binding contract.

These are some items to consider before renting:

- * Responsibility for utility services and account payments should be thoroughly understood. If the tenant pays for utilities, he/she should ask the utility company for monthly cost estimates and should know the maximum he/she can afford to pay for monthly rent and utilities and ask to be placed on a budget plan.
- * Most rentals do not allow any type of pets. However, from time to time if pets are allowed, restrictions such as weight no more than 15lbs will be discussed and provided in writing. **A minimum pet deposit of \$450** is required in addition to a normal security deposit plus monthly pet fee see Lease for specifics. Visually impaired, hearing impaired, or mobility-impaired persons are entitled (by Fair Housing Laws) to have a certified guide, hearing, or service dog without the payment of a deposit, but the tenant is responsible for any damage caused by his/her dog. No treacherous or perilous pets of any kind are allowed to be kept or brought onto the property. No vicious dogs such as Pit Bulls, Chow, Rottweilers, Sharpel, Akita, Doberman, Mastiff, Presa Canario, Ovcharka, Fila Brasileiro, Cane Corso, Beauceron, Wolf Hybrids or mixed breeds on the aforementioned are allowed at any time not even to visit!
- * Parking rules and regulations for off-street private lots should be thoroughly understood i.e., the number of tenant's cars allowed provisions for guest parking, and whether the parking rules are enforced by towing.

SIGNING THE RENTAL AGREEMENT:

A lease agreement is a binding contract that defines the management and the tenant's responsibilities. Tenants should read and understand the lease before signing it. The tenant will be given a copy of the signed Lease Agreement and Tenant Handbook. After signing the lease, any changes, modifications, oral promises, conditions and agreements between the tenant and Owner and/or its agents must be in writing and signed by both parties to be enforceable. If either management or tenant fails to sign the lease, it still becomes effective and enforceable if the tenant occupies the premises, and rent money is paid by the tenant and is accepted by Norman Investments, LLC. All persons who will occupy the premises should be listed on the lease and those above the age of 18 will be required to sign the lease.

ASSOCIATION RULES AND REGULATIONS:

If the dwelling unit is located within a Community Association, Homeowners Association or Condo Association, tenants will be subject to follow all rules and regulations of that Association. When move-in occurs the tenant will be provided with all information about the rental property Association Rules and Regulations and it is the tenant's responsibility to read, be aware of and follow all Rules and Regulations listed. An addendum will be added to the lease stating that the tenant has received a copy of the Association Rules and Regulations.

CABLE AND SATELLITE:

A tenant shall not alter or permit any alteration of the outside of premises without the prior, written permission of Owner. If consent is given is at the tenant's own cost. After the equipment is installed, it must be removed at the time of move-out.

Norman Investments, LLC will not approve installation of a satellite dish antenna on a roof/siding only POLE mounts are permitted.

DUPLICATE KEYS AND ADDITIONAL LOCKS:

You will be issued at least one (1) set of keys. **A fee of \$75.00 (\$125.00 after normal business hours, weekends, and holidays)** will be charged to you for providing a new set of keys. Landlords/management have a legal right to keep copies of all keys to all rental units. If a tenant needs to add new or additional locks, the property manager **must** be notified, and the tenant **must** have authorization from the property manager and give him or her a copy of each new or changed key immediately following the change and/or installation. This is imperative should an emergency occur.

GENERAL RULES AND REGULATIONS (listed within the lease):

- No smoking.
- Tenant must carry Renter's Insurance with **Norman Investments, LLC listed as additional certificate holder**. Since this is stated within the lease, if Renter's Insurance is in default or removed the tenant will be responsible for all damage to his/her property.
- Tenant must keep utility accounts paid and set up in the tenant's name and maintain during the lease term.
- Tenant must change all HVAC filters (with correct filters) every month.

LATE FEES:

Rent is due on the **1st of each month**, in the event that any payment required to be paid by Tenant under the Lease Agreement is not made within **five (5)** calendar days of when due, Tenant shall pay to Landlord/Agent, in addition to such payment or other charges due hereunder, a **"late fee"** in the amount as defined in the Lease Agreement. Tenant may not designate how payments received by Landlord/Agent are applied to their account. Any payments received are applied to charges in sequential order as they were charged to the tenant's account. All rents are received with reservation. There will be a Notice of Default issued on the 6th day of the month should rent not be received. This gives the tenant 5 days following to pay unpaid balances. If payment is not received an unlawful detainer will be issued and turned over to an attorney for collection, and the tenant will be held responsible for all court costs and legal fees. Failure to pay rent, or frequent late payments, can be cause for eviction. Upon a default judgment for nonpayment of rent, the VRLTA requires immediate issuance of an eviction notice by the court, and the usual 10-day appeal period for an eviction judgment does not apply. If a tenant is unable to pay rent on time, he/she should explain the situation, in writing, as soon as possible who may agree to a different rent payment plan to avoid the inconvenience and cost of eviction proceedings in court.

MILITARY EXEMPTION:

A full-time member of the U.S. Armed Forces or Virginia National Guard, or a Civil Service technician with a National Guard unit may terminate a rental agreement with a 30-day written notice to the landlord, provided that the date of departure (surrender of premises) occurs within 60 days of the notice. Such tenants must:

- * be transferred more than 35 miles from the rental premises; and,
- * have received orders for more than three (3) months duration; or,
- * have been discharged, or released from active duty, or full-time duty; or,
- * have lost his/her basic allowance for quarters and have been ordered to government-supplied quarters.

Along with the written termination notice, the Landlord must be given either a copy of the official orders or a letter signed by the tenant's commanding officer confirming the orders. The rent must be prorated to the date of termination. VRLTA prohibits from charging any liquidated damages for such early termination if the tenant has resided in the rental premises for at least 12 months. However, if the tenant has resided in the property for less than twelve months, the landlord may require payment of liquidated damages in an amount no greater than:

- * One full month's rent if the tenant has completed less than six months of the tenancy; or
- * One-half month's rent if the tenant has completed at least six but less than twelve months of the tenancy as of the effective date of the termination.

MOVE-IN INSPECTION:

You will be provided a pre-move inspection report. If there are unacceptable conditions not noted at move-in tenant must notify Norman Investments, LLC within 5 days of move-in.

PARKING:

As part of the lease agreement parking is property specific. If there is designated parking it is the tenant's responsibility to park in designated area to avoid towing. A vehicle may not be repaired on any part of the property (oil change, transmission fluid change, or any other work that pertains to fluid spills). Parking on the lawn, sidewalks or inside the home (motorcycles, dirt bikes, etc.) is prohibited. Any motor vehicle must be registered with current tags and inspection sticker. All vehicles must be in working condition and have no flat tires or outward damage that would make it an eyesore for the property.

PERIODIC PROPERTY INSPECTIONS:

As part of our agreement with the property owner we will conduct routine inspections to determine the condition of the property. The tenant will be notified of inspection 24 hours in advance and will be notified of any problems, then given 14 days to remedy the problems. Any breach not corrected will be remedied by Norman Investments, LLC and billed back to the tenant. Should the tenant not agree with the bill and refuse to pay, the cost will be deducted from tenant rent monies. All late fees, court costs, and attorneys' fees will be the responsibility of the tenant.

PETS:

The tenant shall not keep pets on the property without prior written consent. Pet weight (up to 25lbs) and breed will be evaluated before agreement to allow pet on premise. When there is an agreement that a pet(s) can be brought into the property there will be a deposit required from the tenant as well as to a pet policy & agreement. All pet owners (regardless of need) are liable for damage done to the premises by their pet(s). If a pet(s) is approved to be kept on property, the tenant will agree to keep the premises on which the pet(s) is kept in a sanitary manner (pick up after your pet please). Be leashed at all times and under control of owner. A further description of pet regulations will be stated within the lease agreement and/or pet policy & pet agreement. In the Lease Agreement, Pet/Policy & Agreement will state that if any damages occur and exceed the amount of the security deposit paid by tenant; tenant will be fully responsible for all damages caused by pet(s). By law, service pets for disabled persons may reside at the property without extra charges, given that the pet is needed to help with the disability. Proper paperwork is required to validate on letterhead of caring physician and need for a service pet or emotional support animal.

RETURNED CHECK FEES:

If a tenant's payment is returned by a bank for insufficient funds or other reason, **a fee of \$50.00 will be charged**. If the returned payment was a rent payment, the rent is unpaid, and the tenant may be charged a late fee **(10% of the monthly rent)** in addition to the NSF fee and the rent payment itself. If a payment is returned, Norman Investments, LLC has the option to require all future payments in the form of Cashier's Check or Money Order.

RENTER'S INSURANCE:

The tenant must obtain Renters Insurance at move-in with **Norman Investments, LLC listed as additional certificate holder**. This can be *obtained through any insurance provider*. The tenant's belongings are placed in the property at sole risk of the tenant. Renters insurance may help recover items from the property due to loss, destruction, theft of, or damage to property. Failure to carry the required Renters Insurance policy may result in the tenant's loss of his/her possessions at no fault of Norman Investments, LLC, and/or the Landlord. If the tenant fails to provide proof of renter's insurance within 30 days of move-in the PM will obtain such renters insurance and will charge the Tenant accordingly, plus admin fee as allowed under the Law.

SECURITY DEPOSIT:

The security deposit is determined prior to time of move-in and the amount is clearly stated in the lease agreement and on the rental application. This is meant to secure a complete and faithful performance by the tenant of all terms and conditions of the lease agreement. If the tenant becomes in breach of his/her lease due to physical damages or **any** charges that have not been reimbursed through the term of the lease, the lease may be terminated, and the Tenant hereby agrees that any costs and fees will be taken out of the security deposit. A damage addendum has been added to the lease with cost of specific items the tenant can be charged for but is not limited to what the tenant can be charged.

UTILITIES:

Tenant must put all necessary utilities in the tenant's name upon move-in. Tenant shall pay all deposits required by any of the utilities not provided by the landlord.
