Newburgh 2018 Car Show

Welcome new members:

Michael Bastin

Stephen Becher

James and Jana Havener

John and Rachel

Kaufman

Dennis Nelson

Al Salhoff

812-618-8399

The meeting came to order with Clay Robinson presiding.
 Ric won the half pot, Cam, Dave and Don won door prizes,
 The minutes were read and approved per the last Newsletter.
 The Treasurers report will be given at the next meeting.

Remember, meetings will be held at **Hoosier Pizza & Wings & Pub** in Newburgh, In.
 This is the former Pizza Chef that moved into what was the Tin Fish in Newburgh, In.
 The address is **300 W. Jennings St. Newburgh, In. 47630**

Clay gave a tech tip on wire wheel splines explaining that they should be dry. If over greased a "clunk" may be heard when taking off and braking due to the engagement of the splines. And I thought the clunk was in my rear end or maybe the junk in my trunk.

The car show was generally discussed and details will be available at the next meeting. The rain put a damper on attendance, but most everything went smoothly. A vote was taken to give the Boy Scout troop a \$100.00 donation to express our appreciation for their efforts.

Carol Robinson has offered to help get our website updated. Ray Graham will forward the account info to her and she will need content from the members, so send pictures and info to jcarolrobinson@yahoo.com.

Project Car:

The club has been offered a 1964 MGB at no charge. It needs body work, paint, engine work and probably interior work. The club has the the collective talent and expertise to perform this work , however the issue is the time and commitment from the members. If you are interested in participating in this project , please contact Clay Robinson(812-459-5298)and let him know your degree of interest.
