Illness Reminder

As we head into the cold weather months, please be mindful of ATP's policies regarding illnesses. We appreciate your promptness in taking a sick child home for the health of others.

*If children are sent home with a fever of 101 or higher, they may not return to school until they have been fever free for 24 hours without medicine.

*Children may not come to school if they have had any loose stools or vomiting within the last 24 hours. If a child has 3 consecutive loose BMS within a short period of time, they will be sent home. Any vomiting while at school also requires pick up.

November Service Project:

Starting Monday, November 11th through Friday, November 22nd, we will collect cans on behalf of the Northeast Georgia Food Bank for the upcoming holiday season. The classroom with the most can donations will earn a pizza party!

Teacher of the Month!

We'd like to recognize the following teacher for her hard work! She comes to work with a smile each day and works hard to provide a fun, loving learning environment for her students!
