

Winter Weather Closing Policy

When bad weather comes and makes traveling to Central Connections treacherous and dangerous, Central Connections will follow the Middletown City Schools schedule:

If the schools are closed due to weather, we also are closed.

If there is a 1- or 2-hour delay for the schools, we also are on that delayed schedule, starting at our opening time of 9:00 AM.

When in doubt, please call our Welcome Center, 423-1734.

Check Channel 12's Schoolwatch on TV and online for notice of Middletown City Schools' closings and delays. Check Central Connections' Facebook page too.

Note: *Except in extreme circumstances, such as a Level 3 Emergency when vehicles are not allowed on the roads, our home-delivered meals drivers will deliver that day. The drivers may run late, but they will get your meal to you.*

Thank you for your cooperation.
