**A Note from Rick:** Tuesday markets were mixed this week. Dairy cattle prices were a little stronger, while feeders and dairy feeders were unchanged. Slaughter cattle prices were steady with Holsteins in the 80's and mixed fats from \$1-\$1.11. Slaughter cows were \$2 to \$5 softer this week. The calf market was slightly stronger on both heifers and bulls. The Draft Horse Auction last week was a dandy! We had a great week with a lot of highlights. Things went smoothly for the most part for all involved and I feel we definitely accomplished our goal of making improvements to the sale overall and especially for buyers and consignors. I can't say enough about what an amazing crew we have here at TLA. Andrea and I have been here for 8 Draft weeks now and it still amazes me how it all comes together. It takes a lot of great people and alot of extra effort from everyone to make this week happen. We know how blessed we are to have so many in this community want to be a part of the TLA family and we appreciate all that they do. Thank you to all of the buyers, bidders, advertisers, vendors, spectators and consignors for making this sale possible. We have been given the opportunity to sell some pretty impressive horses and we hope to continue to earn that buusiness in the future. See you at TLA!
