# Interstate Veterinary Clinic Contract for Embryo Transfer

Donor Mare: \_\_\_\_\_ Date of Birth: \_\_\_\_\_  
Breed: \_\_\_\_\_ Registration #: \_\_\_\_\_ Discipline: \_\_\_\_\_

## Interstate Veterinary Clinic (IVC) agrees to the following:

1. To transfer embryos from the above-named Donor Mare to the reproductive tract of a recipient mare.
2. Make every reasonable effort to provide recipient mares on demand for scheduled donor mare flushes; unless conditions, catastrophic or otherwise beyond Interstate Veterinary Clinic's control, make such effort impossible.

The Owner/Lessee \_\_\_\_\_ [if Lessee, provide a Lease Agreement copy] agrees to the following:

### 1. Pay the scheduled fees as listed:

- a. There is no Annual Enrollment Fee due with the signing of this contract.
- b. \$2,600.00 Pregnancy Fee when IVC recipient is confirmed 35 days in foal with the above-named Donor Mare's embryo.
- c. \$1,600.00 Pregnancy Fee when Owner's recip is confirmed 35 days in foal with the above-named Donor Mare's embryo.
- d. \$900.00 Deposit for Pregnant IVC Recipient Mare when a recipient is confirmed 35 days in foal. The Recipient Mare becomes the responsibility of the Owner. The Owner may return the recipient mare to IVC, by December 1 of her foaling year for a \$900 refund or credit.
- e. \$12.00/day Board for Pregnant IVC Recipient Mare, beginning after 35 day pregnancy confirmation. Owner's recipient mare(s) will be charged board upon arrival at IVC.
- f. Additional Embryo Transfer pregnancies obtained under this contract will incur a \$2,600.00 or \$1,600 Pregnancy Fee and \$900.00 Deposit on IVC Recipient Mare each.
- g. \$250 Non-Refundable Recipient Booking fee (per flush cycle) when the donor mare is NOT being bred at IVC. This fee is for the cycle management of recipient mares.

### 2. Choose the Embryo Transfer plan you will be using:

\_\_\_\_\_ **Indicate here if the Donor Mare will be brought to Interstate Veterinary Clinic for On-site breeding & embryo transfers- Using Interstate Vet Clinic Recipient mare** . The following will apply:

- a. \$850 per Cooled Semen Breeding Cycle and ET Flush, \$950 per Frozen Semen Breeding Cycle and ET Flush.
- b. Board will be charged for Donor Mare at: Stall Board- Dry Donor Mare \$15.50/day - Wet Donor Mare \$17.50/day or Paddock Board- \$12/day Dry Donor Mare - \$15/day Wet Donor Mare
- c. All other normal and customary veterinary charges for breeding management.
- d. Any and all other charges incurred in shipment of semen for breeding the Donor Mare.

\_\_\_\_\_ **Indicate here if the Donor Mare will be brought to Interstate Veterinary Clinic for On-site breeding & embryo transfers- Using Owner's own Recipient mare** . The following will apply:

- a. \$850 per Cooled Semen Breeding Cycle and ET Flush, \$950 per Frozen Semen Breeding Cycle and ET Flush.
- b. \$300 per Cycle- Owner Recipient Mare- Cycle Management
- c. \$200 per Embryo Implantation to Owner's Recipient Mare
- d. \$40.00 per Ultrasound- after embryo implantation
- e. Board will be charged for both Donor and Recipient Mares at: Stall Board- Dry Donor Mare \$15.50/day - Wet Donor Mare \$17.50/day or Paddock Board- \$12/day Dry Donor Mare - \$15/day Wet Donor Mare
- f. All other normal and customary veterinary charges for breeding management.
- g. Any and all other charges incurred in shipment of semen for breeding the Donor Mare.

\_\_\_\_\_ **Indicate here if the Donor Mare will be bred at another location and brought to Interstate Veterinary Clinic for embryo flush only**. The following will apply:

- a. \$250 Recipient Booking fee (per flush cycle) & signed contract- must be received prior to Cycling/ Breeding of Donor Mare.
- b. \$450 per ET Flush
- c. \$200 Embryo implantation fee.
- d. All other normal and customary charges for embryo transfer will be applied upon transfer of embryo.

\_\_\_\_\_ **Indicate here if the embryo will be Shipped-in to Interstate Vet Clinic**. The following will apply:

- a. \$250 Recipient Booking fee (per flush cycle) & signed contract must be received prior to Cycling/ Breeding of Donor Mare.
- b. \$200 Embryo implantation fee.
- c. All other normal and customary charges for embryo transfer will be applied upon transfer of embryo.
- d. Owner agrees to pay any and all charges incurred in shipment of embryo.

e. The breeding/flushing veterinarian and/or owner must notify IVC on the first day of the Donor Mare's heat and on the day of ovulation so that a suitable recipient mare can be prepared. Owner agrees to contact IVC on the day of embryo recovery and advise of the results- method and time of embryo delivery or failure of embryo recovery. Owner/Lessee understands that failure to report breeding and ovulation dates may result in unavailability of a recipient for a transfer.

Clinic: \_\_\_\_\_ Veterinarian: \_\_\_\_\_

Address: \_\_\_\_\_ Phone: \_\_\_\_\_

\_\_\_\_\_ **Indicate here if embryo to be transferred is a vitrified embryo.** The following will apply:

- a. \$250 Recipient Booking fee (per flush cycle) & signed contract must be received prior to thaw and transfer of vitrified embryo.
- b. \$200 Embryo implantation fee.
- c. All other normal and customary charges for embryo transfer will be applied upon transfer of embryo.

**3. Pay all outstanding charges in full before removing the pregnant recipient and/or Donor Mare.**

IVC accepts checks, VISA, MasterCard, and Care Credit. All other incidental charges are payable within 30 days of billing date. After 30 days, interest of 1.5% per month will be assessed on the outstanding balance.

4. Warrants and guarantees that as Owner/Lessee, the undersigned has full authority to enter into this contract and is the party responsible for all terms and conditions hereof, including prompt payment of all charges.

**Interstate Veterinary Clinic makes the following provisions:**

1. It is expected that each IVC Recipient Mare will deliver a live foal (defined for this purpose as able to stand and nurse within 24 hours after birth). If an IVC Recipient Mare loses the pregnancy after 35 days the Owner/ Lessee will receive \$1,250.00 credit toward one future Embryo Transfer Pregnancy Fee- using IVC recipient mares only, to be performed in the same or subsequent year's breeding season for the above-named Donor Mare. This credit is non-transferable to other veterinary services provided by Interstate Veterinary Clinic. The credit/guarantee is subject also to the following:
  - a. When the pregnant recipient is removed from IVC, the Donor Mare Owner/Lessee agrees to provide veterinary certification that a live foal (standing and nursing) was not obtained.
  - b. No credit will be issued if the loss is due to an inherited genetic defect such as lethal white syndrome.
  - c. If the recipient's failure to carry to term was due to an Act of God, or sub-quality management practices and/or negligence on the part of the Donor Mare Owner/Lessee et al, this credit provision becomes null and void.
  - d. Failure to attend foaling voids guarantee.
  - e. \$900.00 will be credited to the Owner/Lessee's account when the recipient is returned in good health to IVC.
2. Owner/Lessee may return recipient mare after foal has been weaned to Interstate Vet in good health prior to December 1 of her foaling year. Interstate Vet Clinic will either credit the Owner/Lessee's account \$900.00 toward future services or refund the \$900 to Owner/Lessee.
3. Donor Mare Owner/Lessee is responsible for all Breed Registry rules and regulations.
4. IVC reserves the right to refuse service. This includes the right, at IVC's sole discretion, to discontinue embryo attempts or to refuse to transfer an unsuitable embryo.
5. Donor Mare Owner/Lessee agrees not to hold IVC liable for any disease, accident, death, etc. of Donor Mare, pregnant recipient, nor in-utero foal. IVC recommends that Owner/Lessee insure the Donor Mare, pregnant recipient, and/or in-utero foal against all losses and risks of any kind. IVC will exercise its best judgment in supervising all horses' care while at our facility.
