DESCRIPTION: Great looking and performing Super Necedah recurve. I've had several of these bows, and every time I shoot one I'm impressed by their feel, balance, speed, and accuracy. Really a nice performing bow, as well as attractive. Can't go wrong with Zebrawood. This bow has been professionally refinished, and we were not able to save the original decals. Current decals are reproductions. No delamination; no cracks; limbs are straight. Overlay tips are in great condition. NO drilled holes (note: what may appear to be a single filled hole in the upper sight window is actually just an anomaly of the Zebrawood). No chips, dings or cracks. No stress lines or crazing. A few very minor scratches and scuffs on the limbs. This is a really nice bow in excellent condition for its age.
