

SF Proof-of-Residency Requirements

It is a City of San Francisco priority that field usage is reserved for the children of San Francisco. To comply with this, all teams who play in CCSL or who desire to play in CCSL must provide proof of residency documentation for every player on their roster. Teams U14-age and younger are allowed only two non-residents. Teams U15 and older are allowed four non-residents.

The best and clearest way to establish San Francisco residency for a player is an official communication from the child's school to the child's parent. (The last name of the parent must match the last name of the child, or proof of guardianship must also be provided.)

1. Player goes to SFUSD school - provide evidence of the school that they attend with a copy of a student ID or formal correspondence from the school to the parent at a San Francisco residence.
2. Player goes to private school - provide copy of school bill or report card addressed to San Francisco residence

This documentation is due for the entire team before certification of their registration. All documentation must be dated February 1st or later.

If a report card or letter from the school is not available, you must provide documentation from **THREE OR MORE** of the following categories. Do not use more than one document from any one category.

1. Driver's License
2. Voter's Registration
3. School records
4. Welfare/child care records
5. Federal records
6. State records
7. Local (municipal) records
8. Support payment records
9. Homeowner or tenant records
10. *Residential* Utility bill (i.e., gas, electric, water/sewer, phone, mobile phone, heating, waste disposal) – only one of these may be submitted among the three documents.
11. Financial (loan, credit, investments, etc.) records
12. Insurance documents
13. Medical records
14. Military records
