I understand that my participation involves all inherent risks associated with the dangers and conditions which are an integral part of equine activities, including but not limited to, the property of equines to behave in ways which may result in injury, harm, or even death to humans and other animals around or near them: the unpredictability of equine reactions to sounds, sudden movements, smells, and unfamiliar objects; persons or other animals; hazards related to the surface and subsurface conditions; collisions with other equines or objects; and the potential of a participant to act in a negligent or unskilled manner which may contribute to injury to the participants or others including failing or inability to maintain control over the animal. By participating in this activity, I agree to assume responsibility for those risks and release and agree to hold harmless the activity organizers: the Cowboy States Reining Horse Association and its members and Sheridan College.
