IGR reports:

big book study: (Tom) koloa union church, 7:30pm friday, koloa

Set up the chairs and they will come....the meeting has been growing at a steady rate. We're having a business meeting next friday, our rent is paid so we'll see how much money we have to buy much needed books.

waimea canyon group: (Bob Barkevich) various formats, 5:30pm monday, tuesday, friday, waimea

Our attendance is up to 6-7 people per meeting! We're having our first business meeting in over a year the last thursday of this month. We believe the growth we're seeing is happening the way it's supposed to and are glad to report our seventh tradition continues.

sunrise sobriety: (Kap R.) various formats, 7:00am monday-thursday and saturday, poipu

We're seeing a wonderful turnout....sometimes standing room only! And we're seeing consistent attendance with our newcomers, you could almost view them as our freshman class that's ready to graduate. We've started a men's study/action group to work the steps over 3 months and are on step 4. We try our best to help any still suffering alcoholic who reaches their hand out for help. Our coffee positions are filled as well as our literature position. We sell literature on an our price/cost-your terms basis.

We're seeing some fresh faces with various deep bottom issues. We have a fair number of people who sponsor and visitors that bring us cool stuff!

steps to freedom: (Sammy H.) big book study, 7:30pm monday, kapaa

Our B-day potluck meeting was well attended with the other three meetings averaging 8-10 people. We're self supporting through our own contributions and were able to give away a big book at our last meeting. So far so good!

princeville-hanalei group: (JoRina H.), 10 meetings per week sunday through saturday

We just had our business meeting at the Princeville Community center and discussed changing our meeting formats. To minimize disruptive sharing we decided to include the following statement in our meeting format:

"In keeping the focus on AA unity, crosstalk, giving advise or disruptive sharing is not allowed"

All ten meetings are well attended. Our reserves are maintaining, not growing, as a result of us needing to pay rent (\$400).

We've purchased two tables for the gratitude luncheon and have volunteered two people to participate in front of the house.

koloa aloha: (Bob B.) daily reflections, friday 8:00am, sunday 7:00am poipu

Both meetings are running strong. Our finances are healthy and we're getting ready to have elections soon.

hui ohana: (Nelson) daily, 7:00am, lydgate beach park, kapaa

Our meetings have a strong attendance of around 30-40 people! Elections for all our service positions are going to be the second saturday of this month. Right now all our service positions filled.

sunday night live: (Ramon M.) sunday, 7:00pm, koloa union church, koloa

About 8-10 people show up, seems like there's always someone who's in need of a meeting sunday nights!
