A NOTE FROM NANCY

This month I start my 19th year here at the center. I have enjoyed working here and meeting so many kind and interesting people over the years. The only sad thing about my job is the passing of so many wonderful members. Thanks to the many Volunteers that have helped us over the years, we wouldn't be able to do the things we do without your help.

Thanks to everyone for the many prayers and get well cards for my husband. He had his first heart surgery on May 3rd. Since then he has been to the hospital for 2nd heart surgery, nursing home back to hospital another 8 days, back to nursing home, back to hospital another week. Now he is at Altercare in Canal Winchester. He has been home for a total of 7 days since all this started.

My granddaughter Allison will be starting Capital University and my grandson Chris graduated on August 5th from The Ohio State University.
